Billy called Jeffry the next morning. Jeffry's mother answered the phone. "Hi, this is Billy..., uh..., Jeffry's friend. Is Jeffry around?"

"Just a moment," Jeffry's mother said. Through the muffled microphone, Billy could hear Jeffry's mother yelling; "Jeffry, your friend Billy is calling for you!"

After a long moment, Jeffry answered the phone. "Hello?" he said.

"Hi, Jeffry, it's Billy."

"I know. Hi. What's up?"

"I, uh, I..., um..., I was wondering if Susie could come over for a while?"

"I don't know, Billy," Jeffry said. "She is a little sore today, if you know what I mean..."

Billy giggled. "Yeah, I figured you..., I mean I figured Susie would be a little sore." He laughed out loud. "Can she even sit down?"

"Barely," Jeffry giggled too. "She walked home a little bow-legged yesterday."

Both boys laughed. Billy could image Jeffry walking home bent over and sore. He had really pounded his ass-hole. He didn't know how Jeffry could walk afterwards, let alone clean his house like he did.

"Oh, Jeffry, you left while I was still asleep! I wanted to tell you that you did a hell of a job cleaning the house. Mom and Dad were amazed, and Becky is getting all of the credit for it. Becky said to tell you she really appreciated it."

"Cool, I wanted to do a good job. To thank her, you know, for what she did for me - I mean for Susie."

"So, can she come over? We don't have to do *THAT* today, if you know what I mean. We can do some other stuff, like what we did yesterday. I can let you play with 'stuff', we can maybe play video games, and watch movies on the computer again? I can show you some other stuff, maybe?"

Jeffry liked watching porn on Billy's computer, and he was sure he knew what 'stuff' Billy was going to let him play with. He grinned, just thinking about Billy's cock. Maybe Billy would want to play with his 'stuff' too?

"Sure, I'll ask Susie, but I'm sure she will say 'yes.' See you in a little while, Billy."

"Cool! See you guys later!" Billy said and hung up.

Billy couldn't wait for another blow-job. He had been horny most of the night and all of the morning thinking about Susie and her cock-sucking lips. It was too bad that Susie's ass was sore, but maybe he could talk her into it anyway. He thought to himself, 'I can promise her I'll be gentle...' and quickly added, 'but promises are made to be broken, right?' He chuckled, looking forward to abusing his ass again.

After a while, Jeffry showed up carrying a backpack. Billy was almost hoping that 'Susie' would be at the door in full-make up, but he realized Jeffry couldn't walk around town dressed as Susie. Not yet anyway. Billy had even considered pretending Susie was his girlfriend, just to take her to the movie theater and get a blow-job in the back row, like the cooler, older guys. The other kids would be so jealous of his slutty girlfriend!

"Hi, Jeffry, my mom and dad are at work, so we have all day to ourselves. Do you have Susie's stuff in your bag?" Billy asked.

"Yeah, I took it all home yesterday so I could practice putting on makeup and stuff. Becky didn't give me any nail polish remover, so I had to hide my hands from my mom until I could steal some from her," Jeffry explained. "Oh, I took the vegetables too; I didn't think you would mind. In case I need to practice with them, too."

"It's not like we would eat them after they had been up your ass, Jeffry," Billy scoffed.

"Yeah, that's what I figured," Jeffry said.

The boys walked down the hall to Billy's room. Billy stopped at the bathroom door. "Why don't you go into the bathroom and change? I'll be in my room waiting for you. I mean waiting for Susie."

"Already? Don't you want to do something else first?" Jeffry asked.

"Don't you want to play with my cock?" Billy replied.

"Oh, yeah, sure!" Jeffry said. He thought Billy might want to play video games or watch porn together, but he couldn't wait to play with Billy's big dick again. Anyway, Susie was a slut, and after all, sluts loved to play with cocks! It was really exciting to act like a cock-craving slut. Besides, Billy really liked it too!

Billy went into his room and waited for Susie while getting his computer ready. He had downloaded a few movies this morning for them to watch; he queued them up.

A few minutes later, Susie knocked on his door.

“Come in!” Billy said.

Susie opened the door. She was gorgeous. Almost stunning. Her face was made up expertly, but maybe a little sluttier than when Becky had helped her. Bright red lipstick with matching fingernails and dark eye shadow matching her green eyes. She was wearing a short red dress – braless - her false tits showing through the material and her nipples firm and pointing. Susie gave a twirl, showing off her matching red panties.

Billy gave a loud wolf whistle. “Holy shit, Susie! Fuck, are you hot!” He felt his cock stir in his short. “Let me look at you!” Billy stood up and walked over to Susie. He ogled her up and down hungrily, walked around her leering, and reached out to grab her breasts. Then, he lifted her skirt and molest her ass. He pulled her close to him, smelling her sweet perfume. He put his hands on her ass, pulled her tight and impulsively leaned in and kissed her softly on the lips. Susie was his after all; his submissive sex-toy. He could do what he wanted to her. And right now, he wanted to practice kissing. When he closed his eyes and groped her, his fantasy was complete. He squeezed the ass he owned and fucked. He groped the breasts he loved, and he kissed the mouth that was about to suck his cock again. Better to kiss her now, rather than afterwards, he thought.

“Ohhh!” Susie moaned into his mouth as Billy kissed her forcibly, shoving his tongue deeply into her mouth. Drool trickled from his open lips as Susie tried to sensually French-kiss him back.

“My fucking cock-slut,” Billy whispered to her possessively, nibbling and sucking on her neck. He continued to grope her ass and breasts, but carefully avoided the area between her legs.

“Do you want my cock, whore?” he asked.

Susie nodded, biting her lip.

“Tell, me, whore,” he encouraged. “Tell me you want my cock.”

“I want your cock, Billy.” Susie said, sounding like a horny little girl. She knew Billy loved it when he acted like a cock-hungry whore. “I want your hard, fucking cock!” She whispered to herself aloud, “I’m such a fucking cock-hungry slut...” Susie felt so beautiful, desirable, sexy and slutty.

“Do you want to suck my cock?” Billy asked. “Are you a horny cock-sucker who can’t get enough of my fat dick?”

“Yes, I want to suck your cock.” Susie was getting hard. “I’m a horny cock-sucker and I want to suck your fat dick. I love to suck your cock, Billy.” Susie felt so sexy acting like a slut. She knew how it turned Billy on, and she was happy to give him what he craved. She loved the feeling of being able to make Billy lust after her and she loved the power she had over his cock; to make him hard and horny - to make him crazy with desire. And, she had the power to make him moan with pleasure and then make him cum!

Billy grabbed her hand and placed it on his hardening bulge. Susie groped it. “Mmmmm,” she said. She traced a finger up and down his shaft, fingering his flared cock-head.

"I can't get enough of your cock, Billy," she said, rubbing his cock and balls thru his shorts. "I'm just a fucking slut. A cock-sucking, ass-fucking, whore."

"Do you want to lick my balls, Susie?" Billy asked. "Do you want to lick and suck my balls, too?"

"Oh, yes! I want to lick and suck your fucking balls. I want to play with them and feel them. I love your big balls, Billy. I love how they smell and how they taste. I love knowing that they are full of your hot, thick, cream." It was all true. She wanted him. She was hard and straining against her panties.

"Do you love my cum, Susie?" Billy groaned, pushing against her, humping her hand and thighs. "Do you want to eat my hot cum?"

"Yes!" Susie cried. "I want your cum, Billy! I want to feel it shoot into my slutty mouth." Images of Billy's hard, spurting cock filled Susie's mind as she remembered how she made him orgasm with her mouth, tongue and hands. She slipped a hand into Billy's shorts and began to jerk his cock, rubbing the pre-cum all over his head. She couldn't wait any longer and dropped to her knees to worship his cock, pulling his shorts and underwear down to the floor. Susie grasp his cock, stroking it lovingly, then licked his cock up and down, spending a lot of time on his sensitive cock head. She licked and licked, then worked her way down to his ball sack, licking like a puppy. She sucked on ball, tonguing and sucking it gently, then the other. She worked her head back up to his shaft, then his glans, frenulum and piss-hole. She finally engulfed his head with her hot mouth.

"Ahhh, Susie, what a slutty cock whore you are! Suck it! Suck my cock, eat my cum, you dirty little bitch!"

"Mmmph-hmmm!" Susie agreed, her mouth full of cock. She began to suck him off in earnest, tickling his balls and sucking his head. Billy put his hands on the back of her head and pulled her tight, trying to get his cock deeper into her throat.

Susie began to bob her head, anticipating Billy's thrusts and taking his hard cock deeper with each thrust. Billy kept forcing his cock deeper and deeper, forcing his way down her throat until he could go no further, his balls resting on Susie's chin. He held her there for a moment, feeling her struggle and trying to pull away. He wiggled and tried to thrust his cock into her even deeper before pulling out and letting Susie gasp for air.

"Billy! I can't brea...," she began to protest, but Billy forced her head back onto his cock, again driving his balls to her chin. "Mmmph!" she exclaimed, startled.

Billy began to skull fuck Susie, fucking her throat as if it were just another fuck-hole to be used. Susie struggled to breath until she found a rhythm, pulling air in thru her nose when his cock pulled out of her gullet, and holding the precious air to make it last, while he fucked her deep.

"Ah, this feels so good, Susie!" Billy praised her. "You are the best cock-sucker ever!"

Susie wasn't sure how much cock-sucking she was actually doing, her mouth was just a wet vessel for his cock - and Billy was doing all of the work! She decided that it wasn't fair for Billy, so she tried to help out the best she could. When Billy pulled his fat cock-head out of her throat, Susie began to lick all around the head. When Billy thrust deep, she swallowed, working her throat muscles around his cock. When Billy bottomed out, his balls against her chin, she stuck out her long tongue, trying to lick his balls every chance she got.

"Ah, yes, Susie! Take it, take my cock, you fucking cock-loving slut!" Billy began to thrust faster, pulling her head towards him while at the same time thrusting his cock down her throat. Susie reached up and tickled Billy's sack, scraping her fingers just at the base of his balls. Billy continued to fuck her face for a while, loving the feeling of his cock-head and shaft sliding in and out of her throat. He began to thrust faster and even more aggressively. He felt the cum churning up in his swinging, heavy balls.

"I'm going to cum, slut. I'm going to cum down your fucking throat!" Nearly a full day's worth of sperm prepared to unload from Billy's balls. The feeling began in his thighs, nuts and crotch. Then, his prostate surged, pumping a huge, thick wad of teenage splooge from his balls and up thru his shaft until it erupted into Susie's slutty mouth. She tried to savor the huge cum shot while eagerly anticipating the next one, but Billy forced his cock back down her throat, pulling her head once again into his crotch.

Susie felt his second blast surge up his shaft and empty into her belly, denying her the opportunity to enjoy his hot, thick goo. When he pulled back again, Susie twisted her head and pulled away from him. "Stop, Billy!" She admonished. "You are wasting it!" Susie quickly wrapped her lips around his cock head, licking and sucking until the next load filled her. She continued to stroke him with one hand and jack him with her other hand.

Billy let her enjoy the taste of his thick, salty cum for just a briefest of moments and then fucked her throat again, pushing his slimy, cum covered, hard shaft in and out of her convulsing throat, sending his last few spurts both into her mouth but mostly into her gullet. He finally released his grip and Susie lovingly licked his shaft, licking him clean.

"Aw, Billy, why did you do that?" She said, looking up at him. "You know how I like to taste your cum..."

"Sorry." Billy said, shrugging his shoulders. He sat on the bed, tired from his orgasm.

"Uh, Billy?" Susie asked, her little cock throbbing. "I'm horny too... Do you want to play with my pussy?" She lifted her dress to show off her hard cock straining thru her red, wet panties.

"Fuck no, Susie!" Billy turned away. "Put that thing away, it's gross!"

"But I'm so hard, Billy!" she pleaded.

"Well, go jack off or something, shit!"

"Can I jack off looking at you, Billy?" she asked.

Billy contemplated her request. Maybe it would make Jeffrey desire him even more. "Ok, I'll tell you what. I'm going to close my eyes, lie down and rest a bit. As long as I don't have to watch you tug on that little slimy thing..."

"Thanks Billy!" Susie couldn't fault him for not wanting anything to do with his little dicklet. After all, they had agreed Jeffrey had to pretend to be a girl. It was the only way Billy could get aroused and not consider himself gay. Maybe one day Billy would return the favor. Maybe if Billy learned to like him enough?

"Susie, do you want me on my back or my front, while you Jill yourself off admiring my flawless body?" Billy lay on the bed, turned on his side, waiting for her answer.

Susie thought about it. She had seen his cock and balls up close so many times but hardly ever saw his naked ass.

"Lay down on your front, Billy. I want to look at your butt, OK?"

"Whatever, pervert." Billy lay down on the bed, showing off his gorgeous, teenage ass. He wiggled it, rocking back and forth slowly.

Susie pulled down her panties and began to play with her engorged 'clit'. Her cock was rock hard and slick with pre-cum. "Ohhh..." she moaned. She had to get closer to Billy's ass, so she climbed on the bed next to him, playing with herself as she stare at Billy's broad back and cute ass.

"Don't get any funny ideas, Jeffrey," Billy said, feeling her getting on the bed, not caring if he called her 'Susie' or not. "Look, but don't touch, faggot."

'Faggot?' Jeffrey thought. 'Billy called me a faggot again...' Susie continued to stoke her cock, staring at Billy's ass. She knew it was the truth. 'I'm a panty wearing cock-sucker' she thought. 'And, I had a cock up my ass and liked it.' She thought about it and then quickly arrived at the obvious conclusion. 'Yes, I'm a faggot...' However, Susie decided that she liked being a faggot. It was just a word and besides, she loved cock, there was no denying it. She stroked her dick, thinking of spurting cocks and tight asses. She began to imagine that she was fucking Billy's tight ass. "Mmmmm," she moaned. In her fantasy, Billy asked for more.

"Do you like that ass, fag?" Billy taunted, bringing her back to reality. "I know what you are thinking, 'Susie'" He said her slut-name with a sneer. "I know you are wishing you could fuck me." Billy decided to tease her more. He slowly raised his butt up off the bed. Susie watched his ass cheeks spreading apart. "Ohhh!" she moaned, involuntarily.

Billy raised his ass higher and the reached back and spread his ass wide, using both hands. "Can you see my asshole, faggot? Can you see what you are never going to have?" He clenched his ass-hole. Then he clenched it again, making his ass-hole come alive for his faggot-slut.

The image of Billy's brown, puckered ring sent Susie over the edge. She felt her orgasm starting. She began stroking faster, drooling at the sight of Billy's tight ass and squeezing sphincter. "Uh..., uh!" Susie grunted. Her cum shot out from her boyish balls. She sprayed her cum into the air. She watched it shoot in a long arch, and land on his ass cheek! Another, then another wad of cum landed on Billy's ass! The rest oozed out all over her hand.

"What the fuck, Jeffrey?" Billy exclaimed. "Are you sperming on my ass?"

Susie couldn't help herself. She continued to stroke as her orgasm diminished. Finally finished, she licked the warm goo from her fingers before it could stain his bed.

Seeing his cum splattered ass, Susie knew she was in trouble. "I'm sorry, Billy!" she cried. "I couldn't help it! I didn't know it was going to shoot that far!" She pulled up her panties quickly, hiding her hard little pecker.

"Jeffrey, I should beat the shit out of you for that!" Billy was mad. He had another boy's cum on his ass. He was not a faggot like Jeffrey. Then, he thought of another way to get his revenge.

"All right, bitch," he said. "You made the mess, now clean it up! Lick me clean, you fucking faggot! If you miss a spot, I'll kick your ass!"

"Sorry, Jeffrey," Susie said, "Sure, I'll clean it up." She put her slimy penis away, licked her hand again and bent over Billy's ass, searching for her cum. She licked and slurped her cum diligently while Billy snickered and giggled, feeling her wet mouth and tongue tickle his ass. Finally, Billy's was clean. She even licked the stray drops of her cum from his bed-sheets. "All done, Billy," Susie said.

"I don't think so, Susie. I'm sure you missed some spots somewhere, now, get back to work!" Billy grinned into his pillow. He rocked his ass back and forth.

"Where?" Susie asked. She stuck out her tongue and licked a wet spot that she had already cleaned. "Here?"

"No, to the left," Billy said.

Susie kissed and licked to the left, closer to Billy's ass crack. "Here?"

"No, even more to the left!"

She began to lick his ass, just at the inside of his ass-crevasse, at the beginning of the smelly cavern to his ass-hole. "Here?"

"Yeah! Thanks the spot," Billy grinned. "Now, lick it up and down, from my balls to my back. I think I felt some land there. Make sure you get it all!"

Susie began to lick Billy's crack like she had been told. She paused when she got to Billy's funky, brown hole.

“Don’t stop, Susie, you are almost there – that’s where I felt your sissy-boy cream hit me..., now clean it!” he ordered.

Susie tentatively licked his asshole. She didn’t see any cum. She didn’t taste any either, just sweet-sour ass funk.

“Yeah, right there, Susie! That’s the spot! Now, lick it some more.”

Susie hesitated.

“DO IT, BITCH!” Billy yelled.

Susie began to lick Billy’s asshole, tentatively at first.

“Oh, yeah, Susie, that’s it!” he encouraged, loving the feeling of Susie’s hot, wet tongue probing his ass hole. He had recalled watching this in one of his porn movies and had to know what it felt like, but he wasn’t sure Susie would actually do it. He was such a stupid faggot. “It feels great, Susie,” Billy said, feeling Susie’s tongue wiggle around in his dirty shitter. He wanted more. “Now, go deeper! Get your fucking tongue in there!” he ordered.

Taking a deep breath, Susie pushed her tongue into Billy’s hole, going as deep as she could, then she paused, holding it there. She quickly wiggled it around in Billy’s funky ass hole before he could demand it of her.

“Now, spread my cheeks and eat it good. Really get in there!”

Susie pulled Billy’s ass apart, stared at his wet asshole. She wanted to please him, so she took another deep, funky breath and plunged her face into his ass crack. She began to lick, prod and suck at Billy’s ass with abandon.

“Ah, yeah, that’s the way! Eat my fucking ass, faggot!” Billy arched his back and pushed his butt back onto Susie’s face. “Oh, you ass-munching, cock-sucking, faggot!” He pushed his ass even more firmly against Susie’s face. “Don’t stop until I tell you to, bitch!”

Susie continued to lap hungrily as his ass, cleaning it with her tongue. She could barely taste his funk now, unless she plunged her tongue deeply into him. Knowing he liked it so much, she plunged her tongue as far as she could yet again and wiggled from side to side and then up and down and around and around.

“Ahhhh, fuck that feels good,” Billy said. “You can eat my ass all day long...” Billy lay still, his ass in the air, enjoying Susie’s dedication. He let her eat him for a full ten minutes, until his back began to ache.

“Enough, slut!” Billy said. Susie pulled back, allowing Billy to sit up. Billy was feeling a horny again, but decided to wait a while. They had all day.

“I’m going to play my video games for a while. You can watch some porn, if you want. Just click the play-all button.”

Susie watched Billy get up, knowing that she had made his cock almost hard again. She wanted to play with it some more, but obediently sat down in front of the computer to watch porn. She settled in and pressed the play button. On the screen, she watched a hot chick pulling a cock out of a man's pants and then began to suck him off. The girl then reached into her panties and played with herself for a while, and then she pulled out her cock and started stroking it!

"Holy shit, she had a cock, like me!" Susie exclaimed.

"Chicks-with-Dicks," Billy simply stated, still playing his video game. "They are called 'shemales' or 'trannys.' I thought you would get a kick out of it." He added under his breath, just loud enough for Susie to hear, "Faggot..."

"Thanks, Billy!" Susie said. She watched the video's in awe, rubbing her dick subconsciously. She watched one shemale clip after another. 'Chicks-with-dicks' sucking cocks, getting fucked and even getting sucked and fucking other men in the ass. She wondered if Billy had watched them too. 'Probably not', she decided. After the movie clips finished, she turned to Billy. "What do you want to do next, Billy? Can I play your video games for a while?"

Billy spread his legs, showing off his limp cock. "Why don't you get down here and play with this instead? I want to finish my game."

"Sure, OK." Susie said obediently, falling to her knees once again to worship Billy's cock. Since they had both orgasmed recently, Susie took her time, just enjoying Billy's dick and getting to know it better. She fondled it lovingly, inspected his balls and licked them gently. She gently sucked his glans and tickled his frenulum with her tongue. She scratched her fingernails on his ball sack and sucked him deep. Billy's cock couldn't ignore her manipulates and he stiffened in her skillful hands and hot mouth.

After a while, with Susie continuing her loving manipulations on his cock, Billy simply stated, "I want to fuck you again, Susie."

"Oh, no..., "She groaned."Please, Billy..., I'm too sore down there," she whined. "... I think you ripped my asshole yesterday. When I wiped off your cum, I had a some blood on the toilet paper..." She looked at him, pleading with her eyes.

"Aww, you'll be fine Susie," Billy said. "I'll be gentle this time." He grinned evilly, unable to hide his intentions.

"I don't know, Billy," she said. "Let me blow you instead." Susie began to suck in earnest, trying to dissuade Billy from fucking her tender asshole. She sucked him deep, feeling him come to full hardness in her throat. She put her head all the way down to his balls, letting his thick, long cock impale her throat. Billy put his hands on her head and then held her there, knowing she couldn't breathe.

"Let me fuck your ass-hole again, or I won't let you up..." he teased. She began to struggle.

“Mmmph!” was all Susie could say. She knew that if she bit Billy’s cock, he would hurt her badly. She decided to hold her breath until just before she passed out, to see if he would give up. She tried to relax.

“Well, slut?” Billy waited.

Just then, they heard heels clicking in the hallway and the door swung opened. “Billy! Did you take my lube....?” Billy’s sister Becky stopped and stared at the sight before her. At first, she thought Billy had a girl friend over and caught him getting a blow job. Then, she recognized her old red dress; the one she had given to Jeffrey yesterday.

Billy stared in shock at his sister. He took his hands from the back of Susie’s head. “Oh shit...” he said.

Susie, hearing Becky’s voice and Billy’s expletive, slowly pulled back from Billy’s crotch. Inch after inch of Billy’s wet, hard, fat cock slid out of her slutty red lips.

Becky couldn’t believe the sight before her; Jeffrey deep-throating a long, fat cock (she couldn’t even do that!) and then she sheer size of Billy’s dick astounded her. ‘Holy shit!’ she thought, ‘Just how big is my brother’s cock?’

Susie kept raising her head and more and more of Billy’s wet, slick, cock slid slowly from her throat.

‘Was it never going to end’? Becky thought.

Finally, the large flared head appeared from Susie’s slutty lips. She involuntarily gave a gentle suck to it, making audible ‘smack!’ as she sucked in air.

“Hole-E-Shit, Billy!” Becky gasped, seeing her brother’s cock in all of its glory for the first time since they were little. His cock was huge!

She looked at Jeffrey/Susie, not believing her eyes, “Fuck-N-A! Susie!” Becky added. “You look hot!”

Becky continued her dialog, “Wow, what a couple of sick, cock-sucking perverts you both are!” She walked into Billy’s room to get a closer look. “Well, whatever floats your fucking boats, I guess.” Becky shook her head, awed by the scene before her. She first looked at Billy, then at Susie, then at Billy’s cock - still throbbing and engorged.

Billy was aroused by the taboo aspect of having his sexy sister stare admiringly at his hard, swollen cock. She was, after all, a frequent target of his jack-off sessions. He had spurted his cum on her yearning face many times in his fantasies. Billy pumped his cock, clenching his prostate muscles. His cock throbbed up and down. Becky’s eyes got wider. Billy grinned.

Feeling her pussy suddenly dampen, Becky fell to her knees next to Susie. She had to get a closer look.

“Wow, Billy, nice dick!” She reached out her hand and grasped it. “Mind if I help, Susie?” Becky asked.

Billy couldn’t believe his good fortune! His cock throbbed. His balls began to swell with fresh sperm, anticipating another orgasm.

Becky looked at Susie. Seeing her shake her head 'No', Becky put both hands on it, getting a feel for its length and thickness. She cupped her brother's heavy balls and then leaned in to lick and then gently sucked her brother's cock-head, opening her mouth wide. Becky enjoyed the feeling of her mouth being filled with his fat knob. She swirled her tongue around his glans for a bit and pulled her lips off and stared wistfully. "Shit, I can't believe there was a cock this big in my own house and I didn't even know it."

She jacked Billy's cock gently, looked at the two young boys and asked, "So, what do you perverts do all day? Suck each other off, or what?"

Billy snorted in derision.

Susie explained, "Billy thinks my cock is gross. That is why I have to dress up like a girl in order to play with him." She reached over and grabbed the base of Billy's cock, feeling a little possessive. "He fucked my ass yesterday," Susie added, proudly.

"You had this monster up your ass?" Becky looked incredulous, estimating its girth. "Shit, it is way thicker than Jason's cock and I won't let him anywhere near my ass-hole, no matter how much he wants to ass-fuck me!" She added, "That explains where my lube went."

Billy grinned, listening to the two sluts discussing his cock. Becky put it back into her mouth. Susie stuck out her tongue and began licking the shaft up and down. Two sets of feminine hands jerked Billy off gently. When Becky would pull her sucking lips off of it, Susie would pop it into her mouth and throat it a couple times. Billy was thoroughly enjoying himself.

"Shit, you are good, Susie," said Becky, admiringly. "Can you show me how to do that? I always gag."

"Sure," Susie said, pulling her lips off Billy's cock. Becky took her place. Susie reached down and began to lap at Billy's ball sack. "You just have to take a deep breath and force it past your throat muscles a few times. You will get used to it..." Then she added, proudly, and still feeling possessive, "...Billy fucked my mouth and throat just a little while ago..."

Becky tried to take it deep and succeeded once, but gave up after gagging on his fat shaft. 'Wow', she thought, 'My little brother fucked Jeffrey's ass and throat? That had to have hurt! What a prick he is! Oh well', she thought, 'Some chicks like that kind of shit. Like me!' She grinned to herself. She liked her sex rough and hard.

After a few moments of sucking and licking her brother's cock and balls, Becky and her pussy soon arrived at a decision and she announced simply; "I have to feel this monster up my pussy." She stood up and pulled off her top, setting her large breasts free - 36D, pale and firm with pink, hardened nipples - in sharp contrast to her tanned skin. Billy stared hungrily.

Susie watched them jiggle, squeezing her false titties while she stared jealously. Becky then wiggled out of her tight jeans and pushed her purple panties to the floor. Her bald, wet cunt was totally exposed to the two young boys. They could smell the intoxicating scent emanating from her juicy, slick pussy.

Totally naked, Beck bent over on the bed, putting her elbows on the mattress, spreading her legs and arching her ass into the air. "Come on Billy, give me some of that man-meat, little-boy!" she wiggled her pale, soft ass and shapely tanned thighs. "You better be gentle to start with, or I'll rip your fucking nuts off, got it pervert?"

Billy scrambled out of his chair, his slick cock bobbing obscenely. "Yeah, I got it, sis!" He knew she would actually try to rip his nuts off too!

"I like to be fucked hard, but I'll tell you when," she instructed. "And, you better give me a good ride if you ever want dip your dick into my tight little pussy again!"

Billy stood up behind his sister, admiring her shapely ass. He couldn't believe it. He was actually going to fuck his hot sister. "Get out of the way, faggot," he ordered Susie. "Bet you wish you had a cunt like hers, cock-slut," he added.

Susie bit her lip and nodded. She was concerned that Billy would want to fuck his sister from now on and not let him play with his cock any longer. A tear began to form in the corner of her eye. She bit her lip hard, to keep from crying.

"Knock it off, Billy. Don't be mean to him!" Becky said sternly. She wiggled her ass impatiently. "Come here Susie. If Billy won't suck your dick for you, I will." She patted the spot in front of her. Excited, Susie climbed on the bed in front of Becky, positioning herself so she could watch the action from the side. She pulled up her dress and pulled down her red, damp panties, showing off her stiff little cock. Susie felt Becky licking her dripping pre-cum with her hot tongue and shuddered. It felt so good! Susie stared at Billy and watched him hungrily line up his cock to his sister's slit, sliding his fat head up and down her wet slit.

Billy could feel Becky's wetness and heat with his cock head. He spread her cunt lips apart with his fat, flared head, teased her with it, and then pushed gently until his thick head forced its way into her tight hole.

"Ahhhhhh!" Becky moaned. "Yes, fill me up Billy; fill up my hot cunt with your fucking cock! Yeeeeeessssss!" Becky felt her cunt lips spreading wide as his thickness began to impale her. She closed her eyes to concentrate on the wonderful feelings of her cunt walls stretching wider than ever before.

Billy continued to push in slowly, reveling in the feeling of having her hot wetness engulf his cock. Deeper and deeper his cock pushed into her, all the while feeling Becky's pussy squeezing his head and shaft tightly. He slid his fat shaft in slowly until his heavy balls rested against her naked slit.

"Oh, fuck Billy!" she grunted. "My pussy is so full!" She wiggled her ass around his thick pole, trying to accommodate its girth. "Ahh, so fucking good!" she cried, feeling her cunt stretched and stuffed to the brim with hard cock. "Now, fuck me, you little shit, but fuck me nice and slow!" She ordered, then exhaled loudly, "Aaaaaahhhhh!" as the thick pole slid out of her cunt, tugging her pussy lips and making her clitoris pulse.

Billy pulled his cock back from her tight hole, feeling it grip him firmly. He watched it slip almost all of the way out until his flared head began to appear. He then pushed it all the way back in, then back out, easily getting into a rhythm, fucking her long and slow. He couldn't believe it! He was actually fucking his sister! His hot, cock-teasing, whore-slut of a sister! He vowed to add another cum-slut to his harem. He envisioned a life of having Jeffrey sucking his cock at school, fucking his tight tranny-ass on the weekends and then having his sister suck and fuck him every night during the week. He could feel the cum churning in his balls.

"Ah, yeah, Billy!" Becky moaned. "Fuck me, just like that!" She fucked him back, loving the feelings emanating from her cunt. 'I could get used to this', she thought. 'I wonder how well he can eat pussy.' As she fucked her little brother, she opened her eyes and noticed Jeffrey's dick, twitching before her. "Ready to get your cock sucked, Susie?" She asked.

"Oh, please," Susie begged. "Please, suck my dirty little clitty, Becky!"

Becky licked his shaft, played with his balls and then sucked Susie deep. She had no trouble getting it into her mouth. It reminded her of the small cocks she used to suck in junior high. 'Jeffrey is still young,' she thought, noticing his obvious lack of pubic hair. 'Maybe he will grow a bit more...' she thought, 'poor baby...' Becky always was a cock-sucker for the underdogs, giving out more than her share of occasional sympathy-fucks to the school nerds. She also got a lot of free homework and tutoring, allowing her to keep a steady 'B' average throughout her school years.

Susie moaned as Becky's warm lips engulfed her shaft. "Oh, so fucking wet! So fucking hot," she exclaimed. "Thank you Becky, oh thank you!"

Becky smiled and began to suck and tongue the little cock in her mouth. As she pushed back against Billy, she would pull her sucking lips from Susie's cock, then, she would suck deep again as Billy pushed her ass, body and mouth forwards.

The sounds of slow fucking and gentle sucking filled the room, except for the occasional groan and grunt.

"Ok, Billy," Becky said finally, feeling that she ready for some serious fucking. "I'm ready now! Fuck me harder! Fuck me like you mean it, you little shit!"

Hearing the words he had been waiting for, Billy grabbed his sister's wide hips and began to slam his hard cock deeply into her cunt.

"Ugh!" Becky grunted spontaneously, as her brother's cock banged her. "Uh...! Uh...! Uh....!" She moaned in staccato bursts as his cock drove into her, his heaving balls slamming into her swollen clitoris. She wrapped her lips tightly around Susie's pecker and sucked hard! "Mfph! Mfph! Mfph!" she moaned, her mouth full of cock.

"Oh, Becky, I'm going to cum!" Susie said, as she felt cum being sucked up from her balls. It felt so good! "Oh! Ah!" She moaned and then spurted once, twice, then three times into Becky's hot, sucking mouth.

“Ahh, suck my cock Becky! Suck my little clitty!” Susie felt her orgasm cumulating, watching as Billy drove his cock into his sister and watching his sister fucking him back.

Tasting Susie’s sweet, boyish cream sent Becky over the edge. “Do it Billy, fuck me! Fuck your big sister! Fuck me!”

Susie chimed in too. “That’s it Billy, fuck her! Fuck her hard! Slam her cunt like you slammed my ass yesterday. Fuck your sister’s cunt, Billy!” Even though Susie had just cum, she was still hard, watching the action, smelling hot pussy, and seeing Billy driving his cock into his own sister’s cunt. It was as if she was watching herself get fucked, hard and fast, like yesterday.

“Ah, I’m cumming Billy! I’m cumming all over your fat cock!” She felt her orgasm start in her thighs and emanate deep within her belly. Her clit tingled when his balls slapped them. She put her fingers to her greasy cunt-hole and began to rub herself. “Fuck me harder, Billy, damn it. FUCK ME HARDER!” she ordered.

She felt Billy slamming into her, tossing her head around like a rag doll. This is how she liked it! She felt his cock thicken, pause, and begin to spew hot cum into her hole. “Ahh, yes! I can feel you shooting your load, Billy!” She came. “Ahhhhh, yes, yes, yes!” Her orgasm ripped thru her, spasms rocked her cunt and her pussy walls squeezed her brother’s throbbing cock. Her toes clenched and she raised her ass up higher to receive his hot, slimy load.

“Take my cum, Becky!” he yelled. “Take my fucking cum, you fucking slut!” Billy shot spurt, after spurt into her waiting cunt. Becky felt it filling her up, not believing how much teenage splooge was emptying into her fuck hole.

Brother and sister came together, slamming their bodies into each other, grunting and groaning as they came. Becky’s sloppy cunt overflowed with her brother’s cum. Billy’s swollen balls emptied into his sister’s pussy. They grunted and moaned and ground their sex organs against each other as their orgasms washed over them. Their motions finally slowed and their excitement lessened. They were breathing hard and sweat dripped from their spent bodies. “Ahhhh,” they sighed in unison as their orgasmic waves diminished. Beck soon felt Billy’s weight increasing on her ass and they collapsed on the bed. They lay like that for a few moments until Billy pulled his slimy shaft from her pussy. She suddenly felt empty.

“Oh, shit! I’m leaking!” Becky exclaimed, and rolled over, clamping her legs together to keep her brother’s cum load from spilling out of her gaping, well fucked cunt.

“I’ll get it!” Susie yelled excitedly. She quickly jumped up and positioned herself between Susie’s legs, spreading them apart and staring longingly at her freshly fucked cream-pie. Susie watched Billy’s hot, thick, cum load begin to ooze from Becky’s red, swollen cunt. Susie opened her mouth wide and clamped it over Becky’s cunt. “Ssssluurrp!” Susie was in heaven as she savored the hot, fresh cum that she was nearly denied earlier. The taste of hot pussy only increased her enjoyment. She rolled the cum around on her tongue and eventually swallowed it gleefully. “Aaaahh!” she sighed.

Billy and Becky watched in amazement.

Susie pulled her head up from Becky's steaming hole and noticed a string of cum hanging on Billy's softening cock. She quickly leaned over and sucked his head into her mouth and then proceeded to efficiently lick and suck his cock clean, reveling the deep, erotic flavors of both cum and cunt. Finished with that task, she drove back into to Becky's sopping slit again, driving her tongue deep and sucking out all the cum she could reach.

"Oh, Susie!" Beck praised, "Oh! You will make a great little cunt-lapper!" She smiled at her brother. "Can I borrow Susie's slutty little mouth sometimes, Billy?" she asked.

Billy smiled back. "Only if I can borrow your slutty little pussy, sometimes Beck!" he said.

"I think we can work something out, bro," said Becky.

"I bet we can, sis," said Billy.

"I know we can!" Susie chimed in, and then returned searching for more precious cum, examining Becky's pussy folds with her probing tongue. "Slurrrpp!" she added, and then, "Ahhhh!"

Brother and sister laughed out loud listening to the sounds of the Billy's eager little friend sucking the hot, fresh, cum from Becky's cunt. They smiled at each other with the secret grin known only to each other. Jeffrey/Susie was going to be kept real busy, sucking cock and slurping pussy. The three, horny teenagers each had the exact same thought...
