

The Smallest Dick Game 3 (m+m)

Chapter Summary - Alex has another chance to win the game.

Previous Chapter Summary - Alex lost again!

Note – This is a work of fiction, make-believe and sexual fantasy. It is not based on real people or actual events. You must be 18 or over to read these stories. The author does not condone any sexual activity among persons under 18 in real life. It is OK to have fantasies, but turning a fantasy into reality can destroy lives. Don't be a dick with other people's lives!

Alex was walking in the hallway at school when Bill Saddler accosted him. Bill had been thinking about Alex since yesterday; how great he made him feel, how pretty his ass looked, how it felt in his hands, and how to get another blow-job and more from Alex. He and Jared talked about it late last night and thought of with some ideas on how to cajole Alex into playing their special game once again.

“Hey, Alex!” Bill shouted, before slapping the smaller boy on the back and then gripping his small shoulder and pulling him in tight.

“Hi, Bill,” Alex replied politely, involuntarily licking his lips as he recalled their yesterday after school. Bill sure was a ‘hands on’ type of guy.

“I found somebody!” Bill whispered excitedly.

“Found somebody?” Alex asked. “I don’t get understand. Were they lost?” It was too early in the morning and he was confused.

“No, for the *game!*” Bill replied. “I think I found somebody to play the game! My cousin Sidney is staying with us for the weekend while his mom and dad take his older brother to check out Big State University.”

“So? Is he really little? Down there?” Alex asked, glancing down towards at his crotch.

“He must be real small!” Bill said, “His brother called him ‘baby-dick!’ before he left last night.”

Baby-dick? Alex thought. Even his small dick is bigger than that!

“Do you think he’ll play the game with us?” Alex asked. This sounded promising!

“Well, I can ask him after school, but I think he will do it. He is always talking about sex and stuff. I’ll talk to Jared over lunch to make sure it is OK, then convince Sidney to come to Jared’s house with us. You will like Sidney, he is really cool.”

“Yeah! OK!”

“Besides, if he doesn’t work out, Jared and I came up with a list of over a dozen kids we thought might be good candidates for the game.”

“A dozen?” Alex exclaimed. That was a lot of boys!

“Well, fifteen or so. But even if you lose, we won’t make you suck them all at once, and at least a couple of them will end up sucking you! We’ll go over the list together, and you can decide,” Bill said. “We will get you that blow-job no matter what!”

Looking around, Bill noticed the hallway was empty. They were going to be late for class!

“Gotta run, or I’ll be late!” Bill then got real close to Alex, pretending to say something, and grabbed Alex’s ass-cheek. Glancing up and down the empty hallway, he baving it a good, long grope before slapping Alex’s butt. “Maybe I can give you another ass-massage today too!” he whispered into Alex’s ear. “Bye!” he yelled as he ran for class.

That Bill is so weird! Alex thought, “He’s always touching my butt for some reason.” He walked into class with his ass still tingling, just as the bell rang.

Alex spent a lot of time daydreaming in class, thinking about what Bill had said to him. “Over a dozen schoolboys! That could turn out to a lot of blowjobs!” Alex theorized how many of them would be smaller than him and how many of them he would actually have to give blow-jobs to. He really wanted to win the smallest dick game, just once at least! He was lucky to have two good friends looking out for him. He really hoped Bill’s cousin ‘baby-dicked Sidney’ would be the loser this time. “Gosh!” he realized. If he lost, he’d have to suck all three boys today!

Jared and Alex walked to Jared’s house after school, while Bill ran home to get Sidney. The two talked about their project and girls, but the conversation soon turned to ‘the game.’

“Bill said you guys have a list of kids who might want to play the game?”

“Bill said that?” Jared exclaimed. “Bill should have kept his mouth shut!” he fumed. “Look, we were just putting together a list of kids who might want to play, and who we could trust to keep quiet.” He explained. He went on, “And, we tried to choose the smallest boys who might have the smallest dicks!” He added, “Well, not all of them of course..., but most of them.” If he been honest, he’d have said, ‘Maybe a couple of them.’

“Wow, you did that for me?” Alex asked, “Thanks!”

“That’s what friends are for!” Jared said, putting his arm around the smaller boy and pulling him tight a moment before letting him go. He didn’t want anyone to see him hugging Alex, after all.

“Jared?”

“Yeah,”

“Who’s your best friend?”

“Oh, that’s easy. Bill is - we have been friends for years.”

“Oh.”

Jared heard the disappointment in Alex’s voice. “But, you are my second best friend.” Jared told him. “Especially after sucking my dick! Wow, what you did to me yesterday? The things you did with your mouth and tongue and fingers! That was amazing! Better than the day before! You are really getting good at it.” Then he added, “Bill had better be careful or you’ll be taking his place on my best friend list!”

“Thanks, Jared,” Alex said, “You are so nice to me. That’s why I tried extra hard yesterday..., after you stood up for me and told Bill how I didn’t like doing it..., how I was just playing the game, and all...,”

“Oh, yeah? Cool. No problem. You’re welcome.” Jared knew he had to keep Alex happy, or he would be losing his cock-sucker. He couldn’t let that happen.

The two soon arrived at Jared’s house and went into Jared’s room.

“Do you want to watch porn again?” Jared asked.

“If you want.” Alex replied.

“I usually watch porn and jack-off until mom and dad get home,” he confided to his little friend.

“Oh, here’s a movie I saved for you. I thought you might like, it’s called ‘Blow-Job Beauties.’”

Alex never considered why Jared thought he might like this movie. He watched it carefully, picking up some new techniques. He liked how the girls moved their heads around while they sucked and how they always kept stroking the exposed parts of the shafts, not only up and down, but in circles too. He also noticed how they stuck out their tongues and licked it obscenely and how they slapped the hard cocks on their faces, and how they often looked the men in the eyes with love and lust.

The movie had a whole lot of ball-licking and ball-sucking, and then he saw something that really surprised him. There was a girls licking the guy’s butt-holes! She had her face right between his butt-crack. Eww!

“Jared, is she doing that?” Alex asked. He tentatively stuck out his little tongue, imaging what it would feel like.

“It’s cool, isn’t it,” Jared replied, hoping to convince Alex to do it the next time he lost the game. “I bet it feels amazing! Probably as good as having your balls sucked!”

“Yeah, probably!” Alex agreed. He clenched his butt. His dick was hard already, and he had jacked off three times last night!

After more ass-licking, ball-sucking and cock-worshiping, the final scenes began. Men blew their wad all over the girl’s open mouths and faces.

“Why do they do that, Jared?” Alex asked. “Cum on their faces, I mean. It seems awful messy.”

“Yeah, Bill and I talked about that before. He thinks they do it to show the man came. Like, if she swallowed it, how would you know he really spunked? But I think it just looks cool, splattering all over her face like that. When I’m jacking-off, I like to shoot my stuff when the guys in the movie are shooting their stuff too. I imagine I’m the one doing.”

“Oh.” Alex said, pleased Jared was sharing such personal details about this jack-off sessions. Then he asked, “Would you want to do that? Shoot your stuff all over...” Alex almost said ‘my face’ but caught himself just in time, “...all over a girl’s face?”

“Yeah! It looks kind of cool..., well, it’s pretty hot..., so definitely..., but most girls wouldn’t let a guy do that, I think. Not at our school anyway.”

“Yeah, girls are weird.” Alex added. He thought more about the movie, as the last spurts painted all the pretty ladies, and considered all he just learned. He would try some of it the next time he lost the game, though he wasn’t sure about licking a boy’s dirty butt-hole – maybe if they were clean and if Jared really wanted to know what it felt like. He glanced over at Jared and noticed him rubbing his penis through his pants. Poor Jared was as horny as he was, maybe even more. He decided that maybe he should offer to help his friend.

“Hey, Jared,” he began, “If you want, I could...”

Just then, the doorbell rang and someone began to pound on the front door furiously.

Jared and Alex jumped up and quickly went to the door. Alex was curious to see what ‘baby-dicked Sidney’ looked like. He was probably way shorter than he was!

Jared opened the door with Alex peering from behind. Bill walked in the door with his cousin Sidney slowly following him. Sidney looked to be a couple years older than Bill. He was a foot taller, thin, dressed in black, with long, straight, black hair. He nodded at the boys and then swept the hair out of his eyes.

This was ‘baby-dicked Sidney?’ Alex looked up at the boy as Bill made the introductions. Sidney made himself at home and flopped on the couch. “What’s up, losers?” he sneered.

Jared and Alex looked at Bill, wondering why he invited this rude boy over to play the game. He would have to be a medical freak to have a dick smaller than Alex's, and he didn't look like he would be sucking anyone's cock, even if he lost.

"So, Bill tells me you kids play some kind of cock-sucking game?" He looked at Jared and Alex with his steel, dark eyes.

"Uh, yeah," Jared began, "Usually it is just the three of us though." Jared didn't want Sidney to play. He could tell he was a jerk. "We don't usually let other people play."

"Bill said I could play," Sidney replied. "Didn't you Bill?" He narrowed his eyes at Bill.

"Come on guys, let Sidney play. I said he could! He's really cool!" He quickly whispered to Jared and Alex. "Come on guys! Don't do this to me!" begging them not to embarrass him in front of his cooler, older cousin.

"Well, I don't know," Jared began. "What do you think, Alex?"

Alex was still holding out faint hope that 'baby-dick' lived up to his name. "Well, I guess it's OK," Alex said, "But, he will have to play by the rules."

"Sure, whatever," Sidney said, "As long as I get my dick sucked. What are the stupid rules?"

Jared explained the rules to him, with Bill and Alex adding points as necessary.

"And, I'm the official dick-measurer," Alex added proudly. "Oh, I better go get the tape! I'll be right back!"

The moment Alex left the room, Sidney asked, "So, is that the kid you tricked into sucking your dicks?"

"Yeah," replied Bill.

"But, he's really nice, and we don't want to get him upset." Jared said, "So be cool to him, OK?"

"Whatever." Sidney said.

Alex returned, nearly running into the room.

"So, now what, we all show are dicks or something? Sidney asked, standing up from the couch.

"Well, normally, we do it on the count of three..." Jared said.

"Fuck that! If you guys want to see my cock, just ask me," Sidney said. He unbuckled his pants and let them fall to his ankles. He then reached over and pulled down his boxers. His cock was still soft, and sticking out from a thick patch of black, curly pubic hair, but everyone could tell immediately it would be bigger than Alex's.

Alex knew his fate.

“So, do you guys have to show me yours first, or do you just start sucking me?”

“No, only the loser - the guy with the smallest dick - has to suck everyone.” Bill said, wishing Sidney could be a little nicer.

“So, who’s going to suck my cock? Is it my little sissy cock-sucker cousin, Billy?” Sidney said, waving his dick at Bill. “Your friend, or the little kid?”

“It’s me,” Alex said dejectedly, “But I have to measure you first, to make it official.” He was almost getting used to losing all the time. ‘Oh well.’ He walked to Sidney with his measuring tape and got on his knees before him. Sidney offered him his cock.

“You have to be hard first,” Alex said, taking some solace at being the Little Dick Game’s ‘official measurer.’ Sidney wiggled his dick at him.

“Here, I’ll do it.” Alex said. Besides, why wait? He would soon have it in his mouth anyway.

Alex began to stoke Bill’s older cousin and couldn’t help but smile as Sidney’s cock began to swell in his hands. It was really neat, feeling his cock grow. Then, telling himself it was to get it over with quickly, he leaned in to Sidney’s cock and stuck out his tongue. He gave it a lick, then licked around the head until it chubbed up some more. Then he took it into his mouth, needing to get it to full hardness.

“Oh, yeah! Measure away, little-dude!” Sidney exclaimed, leaning back and smiling.

Bill and Jared watched Alex sucking Sidney’s dick. They watched for a while, then look away in shame, knowing they had tricked Alex once again. Before long, Alex pulled his head from Sidney’s cock with a soft slurp and a ‘pop,’ grabbed his measuring tape and proceeded to measure Sid’s dick. “Five and a half inches,” he stated.

“What?” Sidney exclaimed, “I’m nearly seven inches long! I measure it all the time!” He took the tape from Alex, laid it on his dick, and then pushed one end into his groin. “See, seven inches!”

“Five and a half,” Alex replied. “No cheating. I’m the official dick-measurer, and that’s my official measurement.”

“Whatever, but I’m seven inches,” Sidney shot back.

“Five and a half!”

Sidney was going to argue some more, but decided he would rather have his cock sucked. “So, you going to finish, or what?” he asked. “Suck it and swallow it Bill said. Isn’t that the rules?” He sneered.

Alex looked at Bill and then at Jared. “Jared is the president, he has the biggest dick here,” he added smugly. “Jared, who should be first?”

“Oh, just finish him Alex,” Jared said. He wanted Sidney out of his house, and that was the fastest way.”

“Oh, yeah, good choice, Mr. President!” Sidney said. He plopped back on the couch and spread his legs wide. “Get busy sucking my cock, little-dude!”

Alex waddled over on his knees and returned to sucking Sidney’s penis. He didn’t like all of the hair tickling his face when he licked his balls and took him deep into his mouth, so he simply sucked, bobbed his head and stroked Sidney’s cock.

“Mmmm-mmm, suck it!” Sidney said, “This little cock-sucker is pretty good!”

Alex smirked, knowing he wasn’t even trying. He had learned a few new techniques today, but wasn’t going to waste them on ‘baby-dicked Sidney.’ He sucked and slurped repeatedly on Sidney’s cock until he felt Sidney getting restless and he began making soft grunting noises. If he was going to cum, Alex wanted him to hurry and get it over with, so he could show him how he could suck someone’s cock he liked. He began moving faster, sucking a little harder, working his lips over his glans and even reached out his small hand to manipulate Sidney’s hairy ball sack. He felt Sidney’s cock swell up, hard and thick.

Sidney gave out a long, slow sigh, then some staccato short breaths as he shot his load into Alex’s mouth. The taste was bitter it seemed to Alex - not as pleasant as his friend’s sperm. He swallowed it valiantly, trying not to let it linger on his taste buds. Sidney gave him a good mouthful and shoved his cock into his mouth a couple times before he finished. Alex pulled his head away, and a few drops of sperm dripped onto the carpet. Sidney’s cock was slick with sperm and still oozing, but Alex had no intention of making it clean.

“Hey, you’re dripping cum onto my mom and dad’s carpet!” Jared yelled.

“I’ll go get a wet rag,” Alex said, rising up. He remembered seeing one in the kitchen sink. “I need a drink of water anyway,” he added, and left the room, coughing.

“The little faggot is a pretty good.” Sidney said, impressed. He pulled up his boxers and pants and buckling his heavy belt. “You guys are lucky. Do you fuck him too?”

The boys shook their heads ‘No.’

Sidney continued, “If I were you, I’d make him wear panties and lipstick next time, and then tap that sexy ass of his after he blows you! It’s easy! I can help you tomorrow.”

They could hear Alex gargling from the kitchen. Bill and Jared wondered what the hell was wrong with Sidney’s sperm.

“How?” Bill asked Sidney. He had been hoping to find a way to enjoy Alex’s butt. “How is it easy?”

“Simple. The next time you play the game, tell him he has to act like a pretty little girl, dumb-ass,” Sidney said. “Make up some new rules or something.” The way he was explaining the details made them both think had done it before. “Dress him up, make him do a girly dance for you, give him a kiss, feel his ass, and tell him that good little girls get dick up their ‘boi-pussies!’ Take off his panties, or leave them on and just pull them aside, and fuck the little queer.”

“He’s never going to wear panties, Sid!” Jared exclaimed.

“Yeah, Sid. That’s really stupid, Get real!” Bill added.

“Oh yeah?” Sidney said, “I got your little brother to wear panties. And his little queer friend!”

“YOU DID NOT!” Bill shouted.

“Ask him,” Sidney said. “He’s got a cute butt and he’s a good kisser too!”

“YOU FUCKER!” Bill said, and went after Sidney with his fists flying. Luckily, Jared stopped him.

“Calm down, cousin!” Sidney said laughing, “I caught them in your sister’s room after lunch today. They were both wearing make-up and kissing each other! I just suggested they wear panties too, and they thought it was a great idea!”

Jared was waiting for Bill to get angry at Sidney again, but he just fumed.

Alex walked in carrying a wet rag. He saw something had happened between his friends and Sidney. Both Bill and Jared looked mad.

“I’m out of here, losers,” Sidney said, walking to the door. “Thanks for the blow-job, kid.”

“You’re welcome, baby-dick!” Alex said. Then, he put his hand to his mouth in horror. He had never meant to call Sidney ‘baby-dick’ he was just so used to thinking of him that way!

Sidney’s face was an expression of shock and fear.

“Yeah, see you later, baby-dick!” Jared added quickly, joining in the fun.

“Hey, how’d you get name baby-dick, baby-dick?” Bill yelled at Sidney’s retreating figure. Sidney held up a single finger as he walked away and slamming the door.

“That was so cool, Alex, you calling him baby-dick!”

“I didn’t mean to! It just slipped out!” Alex said. Then, he began laughing along with his friends.

“What do you guys want to do now?” Alex said. “I guess you want to finish the game, right?”

“Sure!” Bill said, “But first I have to know something, what was wrong Sidney’s cum? You made a terrible face and we heard you gargling in the kitchen.”

“It tasted awful!” Alex said, making a face.

“Oh, yeah? So, what did he have for lunch, Magic-Man?” Jared said, teasing Alex on his uncanny tasting ability.

“I don’t know, but it was nasty!” Alex said. “Like battery acid!”

“Oh!” Bill exclaimed. “Sidney likes to drink vinegar! He says it is healthy for you. He even brought a bottle with him!”

“Vinegar! That’s it!” Alex said.

The boys laughed as they walked to Jared’s room so they could watch porn while Alex sucked them off.

Jared turned on his computer and began searching for dirty movies, while Bill suggested they get naked like they did yesterday.

All three boys were quickly naked.

“Who’s first?” Alex asked.

“You go first Jared,” Bill said. Jared sat on the edge of his bed, his chubby cock resting on his balls.

“He’s got the biggest dick, so it’s only fair.” Alex agreed. He sat down in front of his friend and grabbed Jared’s cock, stroking him gently while he admired it. He watched get longer and fatter. He licked his lips and licked it.

“Hey! I got an idea,” Bill said. “Get on your knees like you did before Alex, and I’ll give you a butt massage again.”

“You’re weird, Bill,” Alex said, but he got on his knees anyway. He was actually feeling flattered that Bill liked to touch and play with his butt. He wiggled his ass, feeling very randy and extra naughty.

As Alex began making love to Jared’s cock (just like he saw in the movies), while Bill grabbed both of Alex’s ass-cheeks and began to grope them. He pulled them apart and admired Alex’s pink little hole.

Alex felt the breeze on his damp crevasse and it gave him goose-bumps.

“You have a nice ass, Alex.” Bill stated, staring at the object of his desire.

Alex giggled, his mouth full of cock.

“You have a pretty ass-hole too,” Bill said.

“Oh, that reminds me!” Alex said. “I want to try something we saw in the movie.” He grabbed the wet rag he had brought from the kitchen.

“Raise your legs, Jared,” he said.

Jared looked at his little friend with an odd smile. He brought his knees to his chest, leaving his ass exposed.

Alex looked at Jared’s ass-crack a moment, then cleaned his friend butt with the wet, soapy rag.

“Damn that’s cold!” Jared said.

“Hey, what are you guys doing, anyway?” Bill asked.

“Rim-job,” Jared said, grinning from ear-to-ear.

Bill’s eyes went wide. “Whaaaat?” He came closer just as Alex set down the rag. He had to see this!

Alex took a deep breath, gathered his nerve, and put his face between Jared’s cheeks. He sniffed hesitantly, and only smelling the faint scent of soap and the familiar teenage-boy ball-funk, he tentatively stuck out his tongue and touched Jared’s sphincter with it. He heard Jared’s quick intake of air and prodded it once again. Deciding it wasn’t too bad, Alex wiggled his tongue all around his friend’s hole. He heard Jared sigh softly. Then he lapped at Jared’s crack from below his hole all the way up to his balls. He then suckled and licked each nut before returning to his boy-hole.

“Oh, yeah, Alex, do it some more,” Jared encouraged. “It feels really strange, but really, really, good.”

“I thought you’d like it!” Alex said smugly.

“I do,” Jared replied. “Now, see how far you can wiggle your tongue up my butt. Really get in there! That will feel great!”

Alex wasn’t sure he wanted to do it, but hearing Jared’s excitement, he decided to try. After all, he was already licking a boy’s ass, so licking his hole a little more wouldn’t hurt. He plunged his face deeply into Jared’s crack and pushed his tongue in as far as it would go. Then he wiggled it back and forth and around and around. He reached up and gripped Jared’s cock, like the girl in the movie had done. He felt the wetness on Jared’s cock with his fingers. It made him realize

how much Jared liked him tonguing his ass. He began to stroke his friend, coating his cock with the slippery pre-cum while he ate his ass.

Bill watched for a long while stroking his rock-hard cock. He was thinking some very dirty thoughts. He winked at his friend and then walked to Jared's night-stand, reaching into the drawer. Jared watched bemused. Then, Bill grabbed the rag Alex had dropped on the floor and got on his knees behind Alex.

"Hey!" Alex exclaimed as he felt the cold, wet rag on his own ass-crack. Then, thinking Bill was going to lick his butt too, he arched his back and presented his ass. Bill tossed the rag and squirted the lotion he had retrieved from Jared's drawer, all over Alex's bared ass.

"What are you doing?" Alex's asked with his muffled voice.

"I promised you an ass-massage," Bill said. "I won't use my tongue on your ass-hole, so I'll use my fingers instead."

"Oh," Alex said. At least he would know what it felt like to have his butt-hole played with.

Bill began to molest Alex's ass. He rubbed the lotion into both cheeks while contemplating his next actions. His cock was straining and leaking pre-cum as well. Bill gave one more squirt of lotion, aiming right for Alex's hole and gently rubbed his fingers all around Alex's bung.

"It feels good," Alex said, as Bill poked, prodded and tugged on his butt-hole. Alex's own little cock was dripping too. A long strand hung down from his piss-hole.

Bill slowly pushed a slippery finger into Alex. Alex moaned and pushed his wet tongue into Jared's ass.

Hearing no objection, Bill pushed his finger in further and then slid it out and back in again. He then began to stretch Alex's hole gently and steadily. First with one finger, then adding a second one. First, only the tip. Then after more tugging and prodding, the second finger went in up to the first knuckle. Feeling some resistance, he squirted another dollop of lotion on Alex's loosing ass-hole. Soon, both fingers were in. He fucked Alex with them steadily, getting him used to the motions.

"Do you like that, Alex?" Bill asked.

Alex was too ashamed to answer. He did like it. His cock was so hard! He muttered an inconclusive 'Hmmm' into Jared's ass.

"I know you love it," Bill said, doing his best to work the tip of his thumb into Alex's ass as well. "You love having your ass licked, don't you Jared?"

"Fuck yeah!" Jared answered.

“See, I know you like it too, Alex,” Bill said. “Wait until you feel this...”

Bill coated his hard shaft with lotion. He looked at Alex’s red hole. It was slightly gaped. Alex clenched it, already missing Bill’s fingers.

Bill smiled at Jared over Alex’s naked body. He lined up his cock and pressed it against Alex’s hole. Alex felt it, but assumed it was Bill’s fingers again, or maybe his thumb this time. Bill pushed slowly and Alex’s sphincter relaxed and opened wider.

Alex felt the pressure and pushed back against it. Bill’s cock-head slipped into his ass.

“Unnnnh! Bill? What the?”

“Shhh! Shhh! It’s OK, Alex. Relax. You’ll love it, trust me.”

Alex looked up at Jared.

“Just let him, Alex. Might as well try it. Huh?” Jared said. “My ass feels like jelly, start sucking my cock again.” His hard, wet cock was just in front of Alex’s face.

Alex winced as more of Bill’s cock entered him. He licked Jared’s dick clean of the tasty pre-cum and took it into his mouth. He bobbed his head on one friend’s cock and pushed back on the other.

“Damn, you are so fucking tight, Alex!” Bill exclaimed. His cock was now fully engulfed inside of Alex’s warm ass. He began to pull out, then pushed back in again.

“Hmhhhhfff” Alex grunted. Remembering his new tricks, he twisted his head back and forth as he went up and down on Jared’s hard cock.

Bill began to fuck Alex slowly. It felt so good he shivered with excitement. He enjoyed every squeeze along every inch of his shaft. He looked down and saw the flared head of his cock escape from the warm hole. He pushed it back in, a little faster this time and began to fuck Alex with long, steady strokes.

“Oh man, does this feel good!” Bill exclaimed. He started fucking Alex harder. He couldn’t wait any longer. He had to cum, and he was going to cum into Alex’s tight ass.

“Mmmmp! Mmmmmph!” Alex grunted, with thrust of Bill’s cock. It felt like a steel rod was shoved up his ass. He braced himself against Jared’s bed with one hand, and stroked Jared with the other. Occasionally massaging him behind the balls.

Bills thrusts made Alex’s cock slap against his belly. Bill’s cock prodded at something inside of him. He almost wished Bill’s cock was longer and thicker and then realized the cock in his mouth might feel even better in his ass.

“Oh fuck! I’m cumming!” Bill said. He slammed into Alex and sawed his cock in and out, faster and harder. His nuts tightened. His cock swelled. Electricity traveled from his balls to his thighs. His prostate clenched and he came. It was glorious. He pumped a heavy spurt of his potent boy-juice into Alex’s ass. He closed his eyes and let the feelings engulf him.

Alex felt the warmth in his ass and involuntarily moaned again and again. He was so aroused! His ass was tingling and his cock was throbbing. He felt Bill squirting into him again and again. His own cock was starting to feel good. Too good. It slapped against his belly once more. Alex felt like he could cum. Almost. He needed something to send him over the edge.

Jared muttered, “Oh fuck.” Alex knew his friend was about to cum. He pulled his mouth off of Jared’s cock and looked up at him. Jared looked back at him, puzzled why he stopped.

“On my face,” Alex said. “Do it on my face.” He looked up at his friend and licked his lips. He blinked in anticipation.

Jared felt the cum rising in his balls. He grabbed his cock and stroked it three times. He aimed it at Alex’s face. A huge spurt of cum left his cock forcefully and splattered on Alex’s forehead. Another stroke and his balls clenched again. Another spurt painted Alex’s left eye and cheek. Jared aimed to his left and covered Alex’s other eye-brow and in boy-cream too.

His smaller friend opened his mouth and stuck out his tongue. Jared’s well aimed eruption volleyed across Alex’s tongue and teeth before landing on the back of his tongue.

The sweet taste of Jared’s cum made Alex shiver. He felt so desired and sexy. He felt Bill give his ass a few more hard bumps. And still impaled on Bill’s shaft, he came.

“Unnnghhh! Oh! Oh!” Alex squealed. He was coming without even touching his dick.

Jared pumped a few more globs of cum onto Alex’s nose and lips and then pushed his cock into his friend’s waiting mouth. The last few pumps of sperm oozed onto Alex’s tongue. He closed his lips and sucked gently as his last orgasmic tingles faded.

The boys caught their breath.

Jared looked at Alex’s cum covered face.

Bill slowly pulled his cock from Alex’s oozing ass and looked across at his friend.

“You know what we should do, Jared?” Bill said.

“What?”

“We should make this a part of the game from now on,” Bill said.

“Wait a minute!” Alex exclaimed. Didn’t he get a say in this?

“Jared’s got the biggest dick, so he’s ‘The Little Dick Game Rule-Maker,’” Bill teased. “You’re just the Dick-Measurer, right?”

“I... But..., but...” Alex looked at Jared and sighed. “Well? What’s your decision, Jared? Bill’s right. You are the official rule-maker, after all.”

Jared just smiled.
