Alex's new friend Jared was so lucky! Jared had a new gaming-console, the latest games, a computer and closet full of toys. Not to mention a big house, a big back yard (with a trampoline), and even a built in swimming pool!

Alex and Jared had been assigned lab partners during Mr. Hanson's chemistry class at school all week. Alex thought he was lucky to be partnered with the coolest boy in class. And Jared considered himself lucky as well. Alex was very smart, so Jared let him do most of the work.

The boys soon found they had a shared interest in the Xophobe FPS computer game and had an animated discussion about the best characters and the strategies. Their conversations soon drifted to sex, as every teenage boy talk would. After Jared whispered about a girl's hard nipples poking through her shirt, the two shared a conspiratorial glances, knowing smirks and giggles. Jared asked Alex if he had ever seen a girl naked before. Of course he hadn't, and to his delight, Jared invited Alex over after school play the game, and then show him some dirty movies on his computer!

After they played the game (Jared won of course, three times out of three), the two boys quickly began watching porn together. Not only was Jared able to watch porn in the privacy of his own bedroom, his parents didn't get home until much later, and they didn't mind if Jared invited some of his friends over.

"Wow! Look at the size of his penis!" Alex whispered breathlessly. Alex's own cock was rock-hard in his shorts. He had never seen anything like this before. It was very exciting!

The movie had been playing for only a few minutes and the sex had already begun. On the computer screen, a man and woman had been kissing and making out on a couch in the woman's living room. The man played with the woman's breasts through her shirt, and then the woman took off her top and then her pretty bra! The man sucked her fat titties right on the screen! Then, the woman reached over, undid the man's belt and zipper, and took out the man's penis from his pants! It was huge! Alex couldn't believe it!

"Watch what happens next," Jared said.

To Alex's surprise, the woman took off all of her clothes, the man removed his pants, and the woman got on her knees in front of him, and put his penis in her mouth!

"What is she doing?" Alex hissed, mesmerized by the naughty images on the screen. He opened his mouth wide, imitating her, and wondering how such a big thing fit in her tiny mouth. He couldn't imagine!

"Man, you sure are stupid, Alex," Jared teased, "Haven't you ever heard of a blow-job before?"

"Of course I have!" Alex retorted, closing his wide open mouth. "I just..., I mean..., I heard the boys talk about them and all, but, I never thought..." He tore his eyes from the screen and glanced at Jared, imploring him to understand. Alex didn't want to appear unknowledgeable about sex to his new friend. Everything Alex knew about sex he had learned from TV and the few medical books he had found at the local library. He didn't have his own computer, and his parents had avoided talking about sex with him.

Jared rescued him. "It's pretty cool, isn't it?" Jared asked.

"Yeah!" Alex responded enthusiastically. The movie switched from a close of the woman sucking cock, to a close up of her naked ass and trimmed pussy wiggling back and forth. 'So that is what a vagina looks like!' Alex thought.

"Look at her vagina..., and her butt-hole!" Alex said aloud, showing off his knowledge of the female anatomy to his friend.

"Yeah, she has a nice pussy," Jared added.

"I'd like to put my penis inside of her pussy!" Alex added, showing off how much he knew about intercourse.

The boys watched for a while until the couple on the screen started fucking. Alex thought it was so nasty. The camera zoomed in real close on the wet, slippery pussy and the hard, engorged penis. The girl began moaning in ecstasy. They made love in the missionary position, then doggie style, then cowgirl, until the man suddenly pushed her off of him, and she crawled over to his wet, slippery cock.

"What's he doing now?" Alex asked.

"Watch, he's going to cum on her face," Jared replied, "They always do that in these movies."

Alex watched intently. He knew about sperm and 'cum'. The woman sucked on the man's penis again until the man pulled it from her lips and began stroking his penis right in front of her. He grunted loudly, and then huge gobs of white sperm flew from his pee-hole! It splattered all over the woman's face, and her open mouth. The man shot more sperm into her mouth and the woman moaned and slurped like it was the best thing she ever ate. She licked her face and then sucked

his penis clean, finally wiping all the cum off of her face before licking her fingers and smiling up at the camera. Then licking her lips and moaning, “Mmmmm, mmmm” before the screen faded to black.

“Wow,” was all Alex could say, as Jared stopped the movie. Alex privately wondered what ‘cum’ tasted like. The lady sure looked like she enjoyed it.

“Man, I sure could use a blow-job right now,” Jared said, rubbing his cock thru his shorts.

“Yeah, me too!” Alex added. His cock was so hard it was leaking. “I couldn’t believe how big his penis was, and how she got that thing all the way in her mouth! His penis was huge!”

“My cock is pretty big,” Jared bragged, “Not *that* big of course.”

“Yeah, mine is big too,” Alex agreed, “I’m way above average,” he bragged. It was true. Alex had read that a man’s erect penis averaged just over five inches. His was over eight inches, but nowhere near as large and thick as the huge penis in the movie.

Jared considered Alex’s statement. He looked at the younger and smaller boy. He glanced at Alex’s crotch and could make out the small lump in his shorts and the growing wet spot where the head of his penis was straining against his pants. There was no possible way Alex’s cock was eight inches long.

“Your cock isn’t eight inches long!” Jared said, chuckling, shaking his head, and nearly laughing out loud.

“It is so!” Alex replied. “I measured it!”

“It is not! There is no way Liar!” Jared said incredulously. The boy’s quickly turned on each other.

“You’re just mad because my penis is probably bigger than yours!” Alex taunted. “Way bigger!”

After all he reasoned, if his cock was longer than an average man’s penis, his penis was probably a lot longer than Jared’s. Besides, Jared was still a kid, like him.

“Prove it then, liar!” Jared yelled, “Let’s bet on it. I bet you my dick is bigger than your dick!”

“No way, you are probably a pencil-dick!” Alex shouted defiantly. He didn’t like being called a liar. He stood up from his chair, “I know my dick is bigger than yours!” Alex knew he was taking a risk, calling his new friend a bad name and challenging him, but he was confident.

“You’re on!” Alex stated. “What’s the bet gonna be then?” he asked.

Jared considered for a moment. When Alex stood up, his suspicions were confirmed. Alex's cock was not very big at all. He was going to make the little punk pay for calling him a 'pencil-dick.'

"I know..., we will make a game out of it. Whoever has the smallest dick loses the game and has to do... something." Jared said.

"Like what kind of something?" Alex asked.

"Something awful for the loser, but good for the winner."

"Like..?"

"I know! Like in the movie! The loser has to give the winner a blow-job!" Jared said.

"What? No way!" Alex replied. This was going too far!

"What's the matter, Alex?" Jared teased, "I thought you had a big cock? Or, are you a liar, and afraid of losing the bet..., pencil-dick?"

Alex had had enough. Now, Jared was calling *him* a pencil-dick! His dick was much thicker than a pencil, he had checked! Fine, he decided. If Jared wanted to play the stupid game, he would! Besides, he wanted to know what it was like to have his penis sucked, like in the movie! And, he would not let Jared off easily, no matter how much Jared begged. This was going to be so cool! He would probably be the only kid in class who had gotten a blow-job!

"Deal!" Alex said, sticking out his hand. Jared's larger hand gripped it tight. "Whoever has the smallest dick has to give the winner a blow-job!"

"Deal!" Jared said, "And you have to suck my cock until I shoot in your mouth!"

"You mean in *my* mouth!" Alex stupidly replied. He was so excited. Jared was going to suck his penis like the woman in the movie.

"That's what I said," Jared laughed, "Suck it and swallow my cum!"

"Suck it until it squirts, and swallow it all, like in the movie!" Alex added, "That's the game!"

They shook hands violently. Then, Jared stood up and stood close in front of Alex. Alex looked up at him. He could smell his sweat. Alex took a step backwards. They eyed each other. They placed their hands on the waist bands of their shorts in an old west gunfight.

"You go first," Jared said.

“No, you first,” Alex replied. Alex was shaking with excitement. He was going to get a real blow-job! His cock was still hard from the movie and the wonderful thoughts of a warm mouth wrapped around his penis.

“Together then, on three.” Jared said, towering over the smaller boy.

Alex nodded in agreement and glanced to Jared crotch. “Uh, oh.” He suddenly felt a little apprehensive as he noticed the large bulge in Jared’s pants. No, it couldn’t be. It must be just a lump of underwear he told himself.

“One..., two..., three!” Both boys dropped their pants and stuck out their crotches.

Jared’s half-hard cock flopped back and forth, swinging ponderously. Alex’s hard, wet, little dick barely jiggled.

“You lose, sucker!” Jared screamed, pointing at Alex’s diminutive penis and small ball-sack.

“But..., but... how could I lose?” Alex sputtered, nearly in shock. He was so sure he was going to win! “I measured it myself!”

“Bwa-haa-haa!” Jared chortled, waving his thick cock and hairy balls at Alex. “Who’s the pencil-dick, now, Alex?”

“But, I don’t understand!” Alex whined, “I’m eight inches long! Most guys are only supposed to be five inches, and you’re still a kid, like me!”

“Well, I’m not like you, pencil-dick,” he chuckled, “I’m *over* five inches,” Jared bragged. “Almost six inches!”

Jared opened his desk drawer and pulled out a small measuring tape. He stretched it out and held it against his cock. “Look, five inches and I’m not even all the way hard. I must have grown even more since I last measured it!”

“Give me that!” Alex replied, grabbing the tape measurer. He held it up to his penis. He looked confused. “There is something wrong with this thing!” he whined and his dick began to wilt. Then he brightened, pumped his cock a couple times and said. “See! There it is, see! I was right!”

Alex held his finger to the tape and proudly showed it to Jared. “Told you, almost eight inches!” he declared proudly.

Jared inspected the tape measurer, held up against Alex’s small, thin dick, then broke out in a big grin and began to laugh loudly. “That’s centimeters, you stupid, dip-shit! Eight centimeters is barley three inches! What a fucking moron!”

Alex was crestfallen. How could he have been so stupid? His lower lip began to quiver. “You can’t hold me to the bet, Jared. You can’t!” he began, pleading. “It was just a game! A stupid game!”

“A bets a bet, pencil-dick!” Jared responded, humping his crotch, swirling his hips, and making his penis swing back and forth and around and around.

“I., I..., I can’t do it!” Alex whined, watching Jared’s cock and balls swaying. To suck a cock? To put Jared’s penis in his mouth? And swallow his sperm?

“You made a bet!” Jared yelled at him. “You have to do it or I’ll tell everyone at school you are a dirty, lying, cheater, like Tim Wagner!”

Alex thought furiously. Tim Wager made a bet last year against his new action figure and then would not give up when he lost. He was picked on every day in school because of it. His life was miserable! He was tripped in the hallway, punched in the arm and constantly bumped into, knocking his school books out of his hands. Keeping one’s word and honoring a bet was one of the few unwritten rules all the children followed.

“No..., please don’t make me!” Alex begged.

“Suck my dick, or else...,” Jared said. “You played the game, you made the bet, you talked a bunch of smack, now keep your word. We even shook on it!”

Alex’s lower lip trembled. He was beaten and he knew it. He had to do it, or else.

“You can’t tell anyone!” Alex pleaded, considering his few available options. “You have to promise!” At least no one else would know, and he would keep his word to Jared, thereby earning his respect.

Jared listened to Alex’s request carefully. Part of the fun of getting the blow-job would be telling the other boys how Alex bragged about his little dick, and then had to suck his cock. But, if he made a promise and told everyone, he would be going back on his word. He decided to be honorable. Besides, he was getting a blow-job! He could still tell his friends, just not tell him who did it to him.

“OK,” Jared said. “I won’t tell anyone you sucked my cock.”

Alex waited for the magic words.

“I promise.” Jared added.

Alex made him shake on it.

“Whew!” Alex sighed. He knew he could trust Jared to keep quiet. “So, how do we..., I mean..., how do I...,”

“Just suck my cock like the lady did in the movie.” Jared said, kicking off his shorts and shoes. Jared cock was getting thicker just thinking about getting a blow-job!

“Do I have to, you know, eat your ‘stuff?’” Alex asked dejectedly, already knowing the answer.

“Yep! ‘Suck it and swallow it.’ Just like you said!” Jared replied while smiling and peeling off his shirt. “And you better do a good job, or the deal is off!”

Alex pouted, his head hung down. He stared at Jared’s penis, though he pretended not to. “I’m not sure how good of a job I’ll do...,” he said. “It’s not like I go around sucking boy’s penises all day.” Though the girl in the movie sure liked sucking the man’s thing, maybe it would be OK after all. At least he would know what sperm tasted like. The lady in the movie really loved it. Maybe it tasted like ice-cream or something? It certainly looked like thick, sweet, whipped cream. The girl really lapped it up!

Alex was getting a little more curious every second, now that he was committed to doing it. Besides, since he *had* to do it, he might as well learn something from it.

Jared wasn’t going to let this once in a lifetime opportunity go to waste. He wanted a great-blow job, like he saw in his favorite video. “Listen Alex, you have to do it like the movie. It had better be good.”

“OK, I’ll try.” Alex finally agreed, though Jared wasn’t so sure.

The older boy glanced at his computer and inspiration came to him. “I know,” he said, “Watch this video and you can learn some tips!” He quickly located his favorite blow-job compilation movie and they boys began watching the computer again.

“See how that one licks it first?” Jared said, “All around the head? That is how you start doing a blow-job.”

“Uh-huh...”

“And how she plays with his balls?” Jared added. “You gotta do that too.”

“Well, I guess...”

“Listen to that one slurp!” Jared said, turning up the volume, “You have to get a lot of spit and slurp it in and out of your mouth, I think you have to slurp it real loud, just like that!”

“Oh! That makes sense..., I think...”

“And go real deep, too!”

“Well, I don’t know if I can, but I’ll try..., I guess...”

“And suck on the head a lot! That’s the most sensitive part.”

“I know...”

“And lick it some more, like she is doing; and don’t forget my balls! See?”

“Yes, I see...”

“Think you can do it, just like that, Alex?” Jared asked.

“I..., I guess so...,” Alex began. “I mean I have to, right?”

“Yup!” Jared settled in to his computer chair, “Now, get busy sucking, Alex!” He spread his legs and leaned back in his chair, before slumping down and scooting his cock and balls to the edge.

“This is going to be great!”

“For you, maybe...,” Alex looked at him, stuck out his lower lip and fell to his knees still pouting.

Alex wiggled over between his friend’s spread legs and looked up at him before quickly averting his eyes from his friend’s lust filled, excited, expression.

Alex looked at the cock just inches away front of him. It hung down, thick and heavy as it laid on Jared’s hairy ball sack. Jared was circumcised and there was a small glistening drop of pre-cum hanging off the end of his exposed piss-slit.

“Grab it and lick it a little, for starters,” Jared encouraged. “Come on! You lost the game, it won’t bite you!”

Alex almost made a comment about ‘biting it,’ but quickly thought better of it. He reached out slowly - pretending to be disgusted - and gripped the middle of Jared’s penis with his finger and thumb.

“It’s so warm,” he said surprised. He automatically began to give it small strokes, up and down, like he did to his own dick, using the same two fingers. It was similar - yet not the same - as fingering his own, smaller penis. Jared’s dick thickened a bit more under his manipulations. He felt it getting firmer and watched it get longer. He heard moans coming from the computer and then he heard Jared softly moan as well.

“This is going to be great!” Jared said, spreading his legs wider. “No one’s ever touched my cock before!”

Alex stroked it some more, until Jared exclaimed, “Come on, you have to use your mouth too!”

Alex ignored him and wrapped his whole hand around Jared's cock, then stroked it again. It was so much thicker than his own member. Besides, he couldn't just put another boy's penis in his mouth right away – he had to work himself up to it.

Alex watched the shiny drop of pre-cum get larger and he tried to avoid getting his hand in it as he stroked. He pulled the shaft from well below the pink and purple head, and watched the loose skin wrap around Jared's cock-ridge. He realized he was being silly about worrying about a single drop of pre-cum when he was eventually going to get a whole mouthful. Maybe Jared didn't have as much cum as the man in the movie (he hoped), or maybe Jared didn't produce cum at all yet. He remembered just last year when he humped his bed at night until the overwhelming feelings overcame him, but his underwear remained dry.

But, that was long ago. He could cum now, and Jared was older than he was by more than half a year. Jared's dick was bigger and his balls were bigger, and he imagined they were just overflowing with cum. He contemplated how much liquid Jared's big balls contained. For some reason, Alex's penis, once wilted with embarrassment, now twitched and thickened.

Oh, well. He had to get this over with. He wasn't going to enjoy it, he told himself, even as his own cock was inexplicably getting harder. He reached down and gave his naked cock a tug; his shorts and underwear were still piled about at his ankles. He cupped his smaller balls at the same time he let go of Jared's cock to feel Jared's big marbles. He traced a finger along the edge of Jared's dick, down to his balls, and back up again. Being so close to another boy's genitals gave him the opportunity to examine it closely. He traced his finger along the scar-like line from the center of Jared's balls back up to his cock-head. He was grateful to see another boy had the same 'scar' as he had. Alex had imagined some horrible accident as a child, but was too scared to ask his parents. He smiled when Jared's cock lurched and twitched as he traced a finger gently around Jared's cock-head.

It was now or never, he decided. Alex dropped his hands on his naked thighs and leaned forward before sticking out his small, wet tongue. He paused a mere inch away from Jared's cock-head.

Jared watched intently. He had almost yelled at Alex to start sucking him, but had instead been watching him closely. He had watched his expression change from disgust to wonder and from dread to what he thought was slight happiness and even mixed with some pleasant anticipation, if smiling and licking his lips was any indication.

Alex felt Jared's stare and looked up to meet his eyes. Ashamed, he immediately looked down and once more focused on the cock. It was aimed right towards him now. He steeled himself, then slowly leaned in, tilting his head to lick his friend's shaft. He started on the side, well below the cock-head, and left a thin wet trail as he moved upwards, onto the flared head, going up nearly to the wet tip.

He hoped to avoid the fat drop, but failed. The thick, clear drop had oozed right into his tongue's path. There was no avoiding it, though he tried. Alex managed to evade the thickest portion of the thick, clear stream. He pulled his tongue back into his mouth leaving a thin, clear thread connecting the two of them, until it finally broke. He could taste a hint of salty-sweetness. It wasn't as bad as he feared, but it wasn't ice-cream either. But, maybe, just maybe, he could really do this without getting sick.

He licked it again slowly and then again, pretending to avoid the remaining wetness, but soon 'accidentally' lapped the remaining ooze with one, smooth, firm, lick. Jared's cock bounced as his tongue left the tip. Alex proudly managed to receive a good, full taste of it this time; it was a little salty, but still, it seemed clean and was really not that bad.

Encouraged, Alex began to lick rhythmically and repeatedly, making Jared's cock bounce and sway. He decided a long lick was called for, so he gripped Jared's cock, ducked his head down, and placed his tongue on Jared's ball sack, getting a hint of his sweaty ball-funk before licking Jared's cock all the way from his ball-sack his cock-head. He did it once on the left, then on the right, then right up the center, but not before getting a long, deep sniff of Jared's balls. Alex had always been a very curious boy, after all.

He felt Jared's cock hardening and responding to his attentions. It began to ooze more pre-cum and Alex decided that eating it was all part of his required obligation. He smoothly licked it up, rolled it on his tongue and swallowed it. He held the cock behind the head and tongued the slit repeatedly; the source of the sweet, clear liquid. He even licked on Jared's fat balls, hanging over the edge of the chair, to see if that made more ooze out. It did.

Jared seemed to like that, giving out a low, soft, guttural moan as Alex darted his warm, wet tongue all over Jared's engorged teenage genitals. .

Soon, Jared's cock was slick with spit and completely rigid. Alex paused to admire his handiwork. His friend's cock, once soft and thick, was now thicker, longer, turgid, and angry looking. 'This is kinda fun,' Alex thought.

"Wow...," Alex said in awe, "You have a *really*, big dick, Jared!" He stared and gripped the hard cock with both hands, stroking it gently.

"Let's measure it again!" Jared said, having never been this hard before. His cock almost hurt he was so hard. Alex released his grip, and Jared extended the tape, putting it right in front of Alex's face, as if he wanted a witness.

"Over six inches!" Jared said proudly, "Almost six and a half! I knew it! It did grow some more!"

Alex noticed Jared had pushed the end of the measuring tape into his belly a bit, cheating on the length a little, but didn't say anything. He own thin dick was barely half its size. Jared's cock

was straight, pointing upwards, and bulging with veins. His pink and purple cock-helmet was thickly flared and slightly pointed near the slit. The ridge was thick and pronounced. His frenulum was stretched tight, nearly colorless, almost to his still oozing piss-slit.

Alex again wrapped his hand around it and squeezed firmly; wanting to feel its amazing spongy hardness again. As he gripped it, another drop of clear, sweet, pre-cum oozed out. He squeezed it some more and the liquid pooled into a huge drop and began to run down towards his shaft. Alex lapped it up without thinking, tonguing Jared's frenulum a few times in the process, knowing there was more to be had.

"Oh, shit, Alex, you are so good at this!" Jared moaned as Alex continued to lick his cock.

"Humph!" Alex snorted, though he was secretly pleased by the comment. He always prided himself on doing his best, no matter what the task. Sucking his friend's cock could be no different. After all, a bet was a bet.

Behind him, he heard voices on the computer. "Aw fuck yeah," a man said. Alex turned his head to see a dark haired lady sucking on a big, hard cock, moving her head up and down. It reminded him of what he had to do. He knew he had to do it eventually. He had lost the game; made the bet; and had to give Jared a good blow-job – or else! Even if it meant putting Jared's cock into his mouth and sucking and slurping on it, like in the movie. He opened his mouth wide, recalculated, and opened his mouth wider.

"Oh, shit! You are really going to do it, Alex?" Jared said, watching him. He had been sure Alex was going to back out.

"A bet is a bet, right?." Alex said, "You can't say I didn't keep my word, and remember, you promised not to tell anyone!" He opened his mouth once again, positioned it over Jared's erection, closed his eyes, took a breath, and quickly placed it over Jared's cock-head. It was bigger than he thought, or his mouth was smaller, but he valiantly wrapped his lips around Jared's fat head and gave it gentle suck. He was rewarded with more pre-cum; as if he was sucking it right out of him. This was easier than licking. His tongue had started to get tired. He sucked it some more and heard Jared's soft moans of happiness.

"Oh, yeah!" Jared moaned. "Your mouth is so hot! Fuck, does that feel good, Alex!" he said, humping his crotch upwards, driving it deeper into Alex's mouth.

Alex allowed the cock to push deeper into his face until it hit the back of his throat. He pulled back involuntarily, but he continued to suck gently. He began to move his head up and down, like he had seen in the movie. His teeth scraped across Jared's cock-head.

"OW!" Jared exclaimed.

“Sorry!” Alex quickly apologized, by sucking a little harder and going deeper. “No teeth!” he thought, and made himself a mental reminder. He rolled his tongue under Jared’s ridge, tasting the slight stale remnants of urine and began searching for more (to clean it, he told himself, not to taste it). It was soon spit-shined, and he darted his tongue around the deep recesses around the cock-head just in case, while he gently continued sucking and gently bobbing.

“Oh, yeah, like that!” Jared groaned.

The movie dialogue became louder. “Suck my cock, slut!” a man moaned.

“Suck my cock, slut,” Jared moaned aloud. It was almost as if *he* was the star in the movie. He felt Alex sucking him a little more firmly.

“Lick my balls, cunt! Suck ‘em!” a man said.

“Do it, cunt! Lick my balls, and suck on them too, Alex!” Jared ordered, his eyes glued to the screen.

Alex obediently began licking Jared’s balls feverishly, really getting into it. He separated a hard marble from the hairy sack, sucked it into his mouth, and gave it an eager, but gentle suck. He worked his tongue on the sack while sucking it, and then did the same to the other egg-shaped marble.

”Oh, fuck!” Jared moaned, “Oh, yeah! Now suck it! Suck my cock again, quick!” Jared babbled. On the computer, Jared’s favorite scenes were coming up and he knew it would make him orgasm – he had been fighting it the moment Alex had started sucking him.

Alex starting sucking again as the first ‘money-shot’ scene started. He bobbed his head up and down on his friend’s shaft, sucking and licking it with his tongue. Alex heard a loud slurp, and was reminded that he should be loudly slurping too. So he did.

“Slurp..., slurp..., slurp!”

“Slurp..., slurp..., slurp!”

“Slurp..., slurp..., sluuuurrrip!” Alex sucked harder as the warm, wet, spit ran down Jared’s shaft.

Jared watch as clip after clip of erupting cocks - each sending long, white strands of thick, sticky sperm, right across the lips and faces of sexy, slutty starlets.

He felt his own orgasm beginning, as if it was Alex was sucking it up from his nether regions.

“Play with my balls!” Jared grunted. He liked to tug on his nut-sack before he came. Alex cupped them and tickled his friend’s nut-sack. He felt them tightening up.

The men in the movie moaned deep and gutturally. Jared moaned similarly in his chair, imitating them involuntarily. He was going to cum! His balls were tingling. His dick felt alive. Alex never relented, sucking, bobbing his head, slurping and working his tongue and fingers.

“Slurp..., slurp..., slurp!”

“Slurp..., slurp..., slurp!”

“Slurp..., slurp..., slurp!”

“Aaaaahhhhhh!” Jared cried, “Oh..., oh shit!” His teenage cock throbbed and pulsed with the beginnings of a massive orgasm.

Alex felt the cock in his mouth swell and twitch, growing and almost pumping itself even bigger inside of him. How was Jared able to do that? He also wondered why Jared was moaning so loudly, along with the movie all of a sudden, thinking it must be something he was watching.

Alex had been daydreaming, concentrating on his work, the sexy sounds from the movie, and his own hard little dick. He didn't quite understand what was happening. Before he could figure it out, a huge, warm, wet spurt shot out of Jared's cock and blasted the back of his mouth.

He paused a moment, surprised, and tasted what he now realized was thick, warm, boy-cream. Jared was coming! In his mouth! Alex's little dick never swelled and twitched like that when he had his own little orgasms!

Jared's cock danced again, and another blast, bigger than the first one, erupted and splattered over Alex's tongue. He tasted it. The thick goo was not as pleasant as Jared's pre-cum, he decided. It was very thick and very salty, and almost tasted like the pizza they had for lunch. The sperm pooled in his mouth. He wasn't sure he wanted any more of it, and started to slowly pull away, his tickling finger's leaving Jared's balls.

“Unnnngghhh!” Jared groaned, drowning out sounds from the computer. He saw Alex backing away and grabbed onto the back of his head. Another spurt filled Alex's mouth before he could make his escape. His mouth was filling up! He made a gagging sound and felt hot, salty cum ooze from his lips. Then, he felt both of Jared's hands on the back of his head holding him firmly and pushing him back down on the spurting cock, not letting him get away.

“Mmmmmphhhh!” Alex cried. His mouth was full of hard cock and hot cum. He was going to choke! He swallowed the thick goo down, just before another wet, thick spurt filled his mouth again. It filled the back of his throat and he again tried to pull away, but decided to accept his fate. He thought, “I promised to suck it and swallow it,” so he did. He sucked. He swallowed.

Jared gripped the smaller boy's head tighter and pumped his cock way back into Alex's mouth, spreading his throat muscles and fucking it in forcefully as his orgasm continued. Alex swallowed once again, nearly swallowing Jared's cock this time.

Alex had no choice, so he relaxed as best he could, and allowed Jared to have his way. He had lost the game and had to pay the price. Jared continued to fuck his face. Alex swallowed again, and then again, amazed at how much cream was in the balls he had just moments ago licked and sucked. He slurped. He sucked. He swallowed yet again.

Jared's cock pressed against the back of his throat and he felt it pushed farther in, spreading his throat wider and entering it for just a moment before it retreated. Then again, it pushed in more firmly, Alex relaxed and Jared pushed, until Alex could see Jared's belly button inches from his nose. He couldn't breathe!

Jared's cock pumped again, then it retreated all the way out of his mouth. Then Jared paused, breathing heavily. Two smaller globs of sperm were pushed out of his shaft and onto Alex's waiting tongue.

Alex swallowed once again. Cum wasn't that bad, the thought, and figured that Jared must have shot a couple blasts down into his throat, well beyond the taste buds of his tongue. He imagined the sperm swimming in his belly. The taste was..., 'interesting.'

"Fuck, that was good," Jared said, finally releasing his grip and pulling his thick, slimy cock from Alex's mouth. A strand of cum hung on the tip of his cock before snapping and leaving a white pearl on the end of his cock. He rubbed it on Alex's wet lips, coating them with his cum. Alex sat meekly and accepted it, even as Jared's cock pushed into his lips, back into his mouth, then back out, only to smear spit and sperm on Alex's cheeks and eyes..

Alex could taste the sperm that slimed the insides of his mouth and tongue, leaving an odd-tasting film coating his entire oral orifice. He swallowed the remnants of Jared's ejaculation with a little spit, contemplating the taste once again. It was OK, he decided, not great, but not bad. It wasn't going to make him throw-up or anything. He wanted to taste it some more, wondering if he was still missing something. The girl in the movie sure liked cum. Why did she love it so much? Was he supposed to love it too? He licked his lips clean and stuck his tongue way out to get the cum dripping from the corners of his mouth. He used his index finger to scoop up the teenage splodge on one corner of his lips that was beyond the reach of his diminutive tongue, before sucking his finger clean. Then, he did the same to the other side.

"Do you want some more?" Jared asked. Alex looked up and saw another drop of thick, white cum dangling off the end of Jared's softening penis. Jared held his cock in front of Alex's mouth. Alex opened his mouth, sucked his cock gently, and was rewarded with another taste of fresh cum. He sucked all the way down, once more, to clean it up for his friend, removing the thin coating of semen from the entire shaft, then sucked and slurped a thick gob that must have dripped out of his mouth and onto Jared's balls.

"Damn, Alex," Jared said, amazed at Alex's actions. "You must really like cum!"

“Suck it and swallow it. That was our bet, right?” Alex said. “I was only keeping my word. I had to swallow *all* of it, right?”

“Uh, right,” Jared said, knowing he never would have made Alex eat all of his cum, as long as he received his promised blow job. He wondered if Alex knew it too.

“Well, you said I had to, or else, Jared!”

“I guess so.”

“Did I do good?”

“Huh?”

“You said I had to do a good blow-job or the deal was off. Did I give you a good blow-job?”

“Yeah, it was real good,” Jared replied. “You are a great cock-sucker, Alex.”

“Thanks,” Alex said, “I did my best.”

“You’re welcome. Anytime.”

“Hey, uh, Jared?” Alex said.

“Yeah?” Jared said, pulling up his shorts.

Alex stood up too. He gestured to his own hard, dripping penis. He was so horny! “Do you think you could, you know, give me a blow-job too? A good one, like I did to you?”

Jared laughed. “Fuck no!” he exclaimed, wondering how Alex could remotely contemplated that as a possibility. “Are you crazy?”

“Uh, OK.” Alex said. “I guess I should go home now.” He pulled up his pants. His cock remained hard. He had to get home and stroke himself off. Right now.

“See you later, cock-sucker.” Jared said.

Alex turned sharply. “You promised you wouldn’t tell anyone!” Alex said, realizing he truly was a cock-sucker now.

“I won’t tell anyone, I gave you my word...,” Jared replied.

“Oh, OK.”

“...Cock-sucker.”

“Jared!”

“OK, I’m sorry...,”

“Thanks.”

“You’re welcome, pencil-dick.”

Alex left quickly, his face and ears burning red. His cock was still hard. He could still taste cum on his lips. He stripped the moment he got home. He wet his dick with his spit and jerked off furiously. He was horny and humiliated but still strangely sexually excited by his actions. His cock exploded at the same moment he was mentally reliving Jared’s cock exploding into his mouth.

His orgasm was very intense. The first squirt landed on his chest. It had never shot so far before. He quickly opened his mouth and leaned his head forward. His sperm splattered on his nose and dripped into his mouth. The next blast landed on his cheek. He emptied his nuts, grunting and moaning.

“Whew!” Alex gasped. “I guess I’m a cock-sucker, now.” he aloud. For some reason, he didn’t mind it so much.
