“Does anyone want to fuck me now?” Jane asked, looking around the living room.

After her father had announced to everyone in the family that they were free to have sex with Jane - a petite, fourteen year old beauty with an overactive sex drive - Jane immediately sucked off her brother Jack. She was now anxious for someone else to help her with her 'special problem'.

“Can I fuck you?” Bill asked his little sister.

“Bill,” his father said. “Don’t be a dumb-ass like your brother Jack! She just asked for it, now get over there and fuck her, for goodness sake!”

“Don’t be mean, Daddy!” Jane said. She was already stripping, flipping the short dress over her head in one quick, practiced motion. She was naked in under a second. She gave her bald little pussy three quick strokes, opening up her pussy lips and getting herself slick for her brother. She sucked the remnants of the fuck-juice off her fingers, leaving a visible smear of pussy juice on her cunt lips. She looked at Bill, wiggling her naked body and sucking her fingers suggestively. “Of course you can fuck me, Bill. Just hurry up and take off your clothes.”

Jane jumped on the couch, scooted her hot pussy to the edge and spread her legs wide. She began playing with her naked tits, pinching her nipples and then sucking one, then the other. Bill hadn’t even taken off his shirt yet! Seeing how far behind he was, he quickly flipped off his shoes, took off his t-shirt, and dropped his pants and underwear. He rushed over to Jane wearing nothing but his white socks, his stiff cock bobbing up and down.

“Gosh, Jane!” Bill said, looking at his sister; first staring at her breasts and then her slick pussy. “You are beautiful!” He leaned in closer to get a better look at her slit. He had never seen it up close before. Jane dropped a hand to her hot cunt. She spread her lips wide, making it easier for him to find her hole. The other hand she kept busy, squeezing her breasts and pinching her nipples.

“You have a nice cock too, Bill.” Jane said. It wasn’t as big as his older brother’s, but he was still growing. She hoped it would get as big as her father’s.

“Put it in, Bill, lets fuck!” She began to make humping motions with her hips. Her impatient pussy winked at him.

Bill’s cock was hard. It had been hard all the while watching Jane suck-off his brother and now, seeing Jane naked and spread before him, his young cock felt like a shaft of iron!

He stared in awe. He hadn’t seen Jane totally naked since she was little, besides quick glimpses of her naked ass and bald pussy from under her skirt. His parents had done their best to keep Jane’s brothers away from her, and insisted she wear clothes in the house, even if they did let her stay naked under her dress. He had felt her warm lips around his cock a few times, but that was only from frantic, hasty, blow-jobs in dark corners of the house – hard-earned and quickly given, by enticing Jane away from their parents from repeatedly and surreptitiously flashing his hard, teenage cock at her, like coaxing a dog with a treat. Now, it was going to be different. No more hiding in the shadows! No more peaking under her skirt! No more subtle gropes in the hallway!

Pre-cum began to ooze and drip from his piss-slit as he lustfully ogled at his sister. Hurriedly, he stumbled forward and tried to jam his raging boner into her slick cunt. He missed his mark, aiming too high and sliding his cock across her cunt lips and poking at her clitoris. Jane reached down and gripped her brother’s cock and gave it a gentle squeeze. She looked at Bill, gave her brother a sexy wink and positioned his cock head against her hole. He pushed it in. His eyes widened with pleasure. He smoothly slid it in, all the way to the hilt, in one glorious motion.

“Oh, Jane!” he exclaimed. “Your pussy is so HOT!” Jane clamped down on his dick. “And so tight!” He slid his cock back a bit, and then pushed it forward again, hesitantly.

“Fuck me Bill! Do it! Fuck me!” Jane helped him by rocking her hips to get him into a rhythm. He soon began to slide his cock into his sister’s pussy, back and forth, back and forth.

“That’s it, you got it! Now fuck me!” Jane encouraged him, smiling up at her family as they watched.

Bill began plunging his cock into his sister with steady motions. His balls began to slap her with every thrust. The sounds of sex filled the room as his naked flesh smacked against hers. “Slap, slap, slap, slap”.

Jane’s pussy began to hum, sending mini-orgasms thru her body. It was always like this for Jane; once she was sexually stimulated, whether from fucking, sucking cock, or even playing with her tits; her body responded by giving her one, continuous, low grade orgasm. She could have ‘big’ orgasms too, but found she could be sexually satisfied for hours without getting tired. She closed her eyes as the small waves washed over her.

She rolled her head back, opened her mouth and let her eyes go to the back of her head as the good feelings came over her. “Oh, it feels so good..., It feels so fucking good to get fucked!” she moaned.

Bill began to get carried away and slammed her pussy hard, once, then twice! He was concerned for his small fragile sister and stopped suddenly and said, "I'm sorry, Jane. Did that hurt?"

"You're not going to break me, Bill. I like it hard! Pound it! Pound my pussy!" Jane exclaimed, humping him impatiently.

Bill began giving it to her – hard! On every thrust, his balls smacked her ass and her head was driven back against the couch. Jane began milking his dick with her experienced cunt muscles, toying with her brother. He could feel her tight pussy gripping him and squeezing his cock-head with every stroke. It was all too much for Jane's inexperienced lover.

"Ah, oh, ah, I'm gonna cum!" Bill closed his eyes and starting fucking his sister faster, his whole body tingling with sexual excitement.

"Give me your cum, Bill!" she pleaded. "I want your hot sperm inside of me!" She grabbed his ass with both hands and slammed him into her, humping his crotch with hers, helping his thrusts to go deeper and faster.

Bill exploded, drenching his sister's pussy with a thick load of teenage splooge. "Ah, ah, ohhhh!" he moaned, as more strong blasts of cum erupted from his cock and shot deeply into her. Jane felt each spurt, loving the warm, delightful feeling of a nice load of cum in her hot cunt. Bill began to slow his thrusts, pulling out slowing, then giving one, two, and then three final, deep thrusts. He was satisfied, but sad it was over. Jane reluctantly let go of his ass and used her tight pussy to milk the last few drops from his cock. He finally pulled his slimy, spent shaft from her cunt, leaving a thick thread of cum connecting the two siblings' genitalia.

Jane reached over to capture the cum-string, snagged it with her finger, and pulled it into her mouth once it snapped. She smiled at the familiar taste and then reached her hand down to her cunt. She began scooping up the fresh cum from her drenched pussy with two fingers and began slurping and licking her cum coated, slimy digits.

Bill looked at her incredulously and Jane noticed his reaction. "Dad said not to make a mess, dumb-ass!" she quickly retorted, scowling at him, like any sister would. She cleaned herself up as best she could, eating all the warm cum she could gather. Finished, she inspected her fingers and gave them a final lick. She looked around the room, glancing at everyone's faces.

"Who's next?" Jane asked. The family looked at each other questioningly.

Not one to wait around, her father stood up. "Watching you kids made your old man horny," he said. "Keep 'em spread, Jane!" He walked towards Jane, his fat bulge obvious to everyone in the room.

“Aw, Dad!” exclaimed Tracy. “I was going to have her lick my pussy next. I’m getting all hot and bothered watching all of this!”

“She can do both at the same time, can’t you Jane, sweetheart?” David knew she could; he and Dottie used her this way often.

“Oh, yeah, easy-peazy-pussy-squeezy!” she said. Jane flopped onto the floor and got on her hands and knees. “Sit here, Tracy!” She patted the wet spot on the couch where her ass had just been. “Put your pussy right in front of my face!”

Tracy stood up; a little embarrassed to get naked in front of her whole family. She fiddled with her zipper and glanced around the room. Jack and Bill were ogling her, waiting expectantly, playing with their still naked dicks, their mouths open. Her dad was staring at her too.

Dottie spoke up, sensing the situation needed some adult intervention. “Tracy, you go ahead and strip! Leave your shirt on if you want to.” Her mother knew Tracy was self-conscious about the size of her small breasts. Dottie added, “You boys behave yourselves or you can just start fucking each other and us girls won’t have anything to do with the lot of you. I mean you too, David!”

The three males hung their heads down, sufficiently chastised.

Dottie encouraged her daughter once more, “Go ahead Tracy, the boys will mind me if they know what’s good for them. And trust me, you will love having your pussy eaten.” She looked at her daughter and grinned wickedly.

“Yeah Tracy,” Jane said. “It’s OK! Everyone here knows what a pussy looks like.” Jane wiggled her ass and looked up at her sister from her position on the floor. “Come on, I want to lick your twat. I’ve always wondered what it tastes like. I bet it tastes GOOD!”

Tracy slowly shimmied out of her tight pants and then rolled down her cotton panties. She paused a bit before uncovering her gash. She then pushed her wet panties down quickly before she could change her mind, and kicked her panties across the room. Her pussy was nearly bare, with a cute patch of soft black fur just above and around her slit. Her large nipples were hard and taut, poking against her black t-shirt.

She walked over to Jane, swung a leg over her sister’s head and then sat down in front of her. She shyly covered her pussy with her hands, but Jane was having none of that nonsense and pulled her sister’s hands away, uncovering her cute, steaming cunt!

“I like your pussy, Tracy!” Jane put her nose in close and took a big sniff. “It smells nice too! I want to taste it!” Jane wasted no time and plunged her face into her sister’s hot fuck-hole!

“Ah, Jane! What the fuck?” she said, surprised by the sudden assault on her pussy. Tracy felt Jane’s

warm, wiggling, delightful tongue against her excited slit. She closed her eyes, cocked her head to the side, and tried to concentrate on the wonderful feelings emanating from her twat. She felt Jane's tongue licking, probing and then dipping deeply into her hole.

"Oh, Jane! It feels so good! Oh, mom you were right! Oh, god, oh god!" She grabbed Jane's head with both hands and held on for the ride!

David stroked his hard, fat cock and knelt behind his youngest daughter. He watched for a moment longer, stroking and staring at Tracy. Tracy didn't notice because she was mesmerized by her father's big cock and stared at it in awe. David shook it up and down, showing off for his daughter, and then shuffled forward to slide his cock right into Jane's slit, slowly, all the way in, until his heavy balls rested against her ass.

"Mmmph!" Jane exclaimed, her mouth full of sweet pussy. She loved her daddy's dick!

David began making long, slow strokes in little Jane's fuck-hole. He locked eyes with Tracy, sharing this tender moment between them.

Jane arched her ass against the steady onslaught of her father's cock, and feeling his thrusts get harder, she grabbed Tracy's thighs to keep her face firmly attached to her sister's cunt. She licked as deeply as she could, driving all the sweet pussy juice into her waiting mouth. She sought out her sister's clitoris and licked it gently, side to side. She licked back to her hole, then up and down her slit. Jane then placed her entire mouth over the top of Tracy's pussy and clit and sucked gently.

"Oh, I never knew it would feel this fucking good! Lick me Jane, eat my fucking cunt raw!" Jane was encouraged by her words and worked harder to make her sister cum! She began licking and sucking her clit, smashing her tongue hard into it, then licking and sucking her gash up and down!

"Oh, mom, you were so right about having your pussy licked! When I get a boyfriend, he better eat pussy good, or I'm dumping him!" Tracy declared.

The sounds of hot, wanton, sex again filled the room. Jane slurped, licked and sucked on Tracy's cunt and David steadily slid his hard cock in and out of Jane's tight pussy.

Tracy too, was soon overcome with excitement. First, watching her brothers have hot sex with her little sister, then seeing her father's hard, fat cock, and then having her own sister eat her juicy cunt. It was too much; she began to cum.

Tracy felt her clitty began to tingle. Her pussy and thighs began to spasm. "I'm cumming, Jane, I'm cumming! Ahhhh, ahhh, ahh!" Jane continued to work her magic. Tracy's pussy flooded, covering Jane's face with juice. She humped her cunt hard into her sister's face while Jane continued to slurp up her flooding slit. Tracy came over and over, rolling her head side to side. Her pussy gushed, her legs

squeezed Jane's face and held her tight as she came! Once, twice, three times she felt the orgasmic waves of bliss wash over her entire bod, from her head to her curled and clenched toes! Her soft abdomen heaved a couple times, and then finally and slowly, Tracy's orgasm lessened and she began to relax, taking a deep breath and giving a huge, satisfied sigh. Jane had slowed her exertions after Tracy's last, huge climax, and finally relented entirely, allowing Tracy's last tingles of her orgasm drift away from her.

"Whew! That was fantastic! Thank you Jane, you are the best!" Weakened and unsteady, Tracy extracted herself and curled up on the couch. She looked around and saw her brothers slowly stroking their hard cocks, staring at her. She didn't mind so much now. She opened her legs a bit, so they could see her red, soaking gash. She put a hand under her shirt, lifted it up, and openly groped her small breast, letting her brothers see her pretty tits for the first time.

"Dad," Jack said gutturally. "Are we allowed to fuck Tracy too?" He stared lustfully at his younger sister.

"Or mom?" Bill quickly added, glancing at his pretty mother. He always was a momma's boy.

David kept slowly fucking his daughter as he dismissed their question. "Boys, we will talk about it later, I'm a little busy right now!" He continued to fuck his tight daughter from behind.

"Dad, hurry up! I'm horny again!" whined Jack. Even though he received a great blow job from Jane, all the excitement had made him ready for more. His fat cock was stiff again. "When are you going to be finished?"

"Jack, leave me alone when I'm fucking, you dumb-ass!" David was irritated at being interrupted. "I'm gonna be a while, if you can't wait, Jane has two more holes and both hands free, pick one!"

"I call dibs on her mouth!" Bill shouted. He wanted to feel her lips on his cock, now that he had the time to enjoy it. He jumped up and took Tracy's seat. Jane quickly began playing with Bill's cock as her dad continued his slow, steady fucking.

"Can I fuck her ass while you are fucking her cunt?" Jack asked, not knowing how that would work.

"Damn-it! I'm busy here!" David hated for his fucking to be interrupted.

"Tracy?" Dottie said, "go in my bedroom and get the lube from the dresser, it is in the drawer with my vibrat..."

"I know where it is!" Tracy said quickly. She jumped up and ran to her parent's bedroom room.

"And bring me back a vibrator!" Dottie yelled after her retreating daughter. "I'm hotter than a firecracker!" She began to slip off her sweatpants and underwear, rubbing her fat cunt lips, watching her

husband and her youngest son's cocks getting pleased by Jane.

Tracy came back hand handed her mother the lube and her vibrator. "I didn't know which one you wanted, so I brought you the big one."

"That's fine, dear. Thank you!" Dottie said. "David, are you going to let Jack fuck her ass, or not?" She turned the vibrator on low, and began giving herself a gentle pussy massage. Tracy sat on the other chair and slipped out the other vibrator she had partially hidden in her hand. She spread her legs and began playing too.

"Please daddy, let him fuck my ass..." Jane took her lips off of Bill's cock long enough to turn her head and plead her brother's case. Having done her part, she turned back and resumed sucking her brother. Besides, she had never had so many cocks available to her, all at once, anyway.

"All right, fine! Just a minute Jane, we have to change positions." He pulled his cock out of her cunt and Bill pulled his cock from her sucking mouth. She sat up.

"Awww!" Jane said, disappointed that she had to stop sucking and fucking, even for a moment.

David lay down on the floor and said, "Jane, climb on! Jack, lube up her shitter and go at it!" He added, "But, go slow, she's never been fucked in the ass before!" Then muttering under his breath, "It's not natural, putting a cock where her shit is supposed to go..."

Jane said, "No, its OK Jack, my ass-hole can take you just fine." She straddled her dad and sat on his cock, dropping down until her ass rested on his balls. She began riding his thick cock. "I've been practicing on my ass with vegetables; you won't hurt me..., much... And if you do, it's all part of the fun of getting your ass-fucked anyway!"

"Is that where all my carrots and cucumbers have been going!" Dottie exclaimed. "David, this girl is gonna fuck us out of house and home!"

David bellowed, "Let her use your vibrators, you have plenty of them! She can't wear them out!"

Dottie yelled back, "She wears out the batteries!"

Jane asked, "Can I have two vibrators of my own, please daddy? One for my puss and one for my ass? Please, please, daddy?"

David closed his eyes, wishing he could plug his ears!

Jack said, "Can I fuck her ass now?"

“Sure can!” said Jane, her request temporarily forgotten. She leaned forward on her daddy, presenting her ass to Jack, still grinding on her fathers’ fat cock. Jack walked over and looked at Jane's tiny, exposed rose-bud.

“Hold still, Jane!” Jack said. He was having trouble lining up the bottle of lube with her little pink shit-hole. She paused, though it was near impossible for her to do, what with a hard cock inside of her. Jack quickly squirted some lube and rubbed it in her hole, using two fingers. He took the excess and slicked up his cock, wiping his hand onto her ass cheek to clean it. He squatted down, admiring her round ass, tight ass-hole, and her cute twat, stuffed full of his daddy’s cock. He lined himself up and pushed his shaft up her little rose-bud, watching her hole swallow his fat cock! "Oh, it is so tight!" he exclaimed.

“Oooooooooohhhhhhh,” Jane moaned, loving the feeling of having her ass stretched wide. Jack’s cock slid all the way into her tight shit-hole. “Ah, I’m so full of cock! Thank you, momma! Thank you, daddy!” Jane was so grateful that her parents were letting her fuck the whole family. She was imagining her future days filled with hard cocks and wet pussies! The men quickly found their rhythm and began fucking her in earnest.

“Here Jane, suck my cock again!” said Bill. He stood over his daddy and fed his cock to her. For a moment, Jane was in heaven! She had never been so full of cock, a fat one in her pussy, a fat one in her ass, and another in her mouth! She wondered if she would ever have on in each hand at the same time as well.

Sadly, for Jane, it didn’t last long. David had closed his eyes to block out the sights and sounds of his families yapping, trying to enjoy his fuck. He finally opened them when he heard the slurping sounds of Jane sucking Bill’s cock. The sound was coming from right above his head! When he opened his eyes, he found himself staring up at his son’s ass, spread wide and squatting, so Jane could suck him off.

“BILL, GET YOUR FUCKING ASS AWAY FROM ME!”

“But, dad!” Bill whined.

“YOU HEARD ME, BILL! GET YOUR SMELLY ASSHOLE AWAY FROM MY FACE!” Bill stepped away reluctantly, pulling his dick from Jane's sucking mouth. She didn't want to let go of it. David added, “Next thing you know, I’d have spit and sperm dripping on me!”

“I wouldn’t have spilled any cum, daddy!” said Jane sadly. They all knew it was the truth.

“Kids, don’t argue with your father, let him enjoy his fuck, for goodness sake!” Dottie said, always the reasonable one. She felt sorry for her little baby boy, not being able to join the fun. She said to him, “Bill, come over here and mommy will suck your dick.” She plunged the vibrator deeper into her cunt, and turned up the setting, until her fuck-stick began to sing.

“Really?”

“Really.”

Bill raced over to the side of her chair, getting a good eye and earful of the buzzing vibrators splitting his mother and sister’s cunt lips. He waved his hard cock at his mother’s face and began humping into her, banging her lips. She grasped his cock with her free hand, admired her boy’s penis for a moment and said, “Your little willy has gotten big, baby,” then sucked it deep into her mouth.

“Suck my willy, mommy, suck it!” Bill moaned, his childhood fantasies coming true.

David began to pound Jane’s pussy, and Jack her ass. One fat cock going in her pussy, while one fat cock slid out of her ass. Then, the hard cock in her pussy would slide out and the hard cock in her ass would slide in! Over and over, faster and faster, harder and harder. The good feelings in Jane’s body began to intensify.

“Slap, slap, slap” was heard, as the two men fucked her. “Buzz- mmm, buzz-mmm, mmmm-buzzzzz” came from the two vibrators, sliding in and out, changing pitch as the tight pussy walls gripped them. The occasional “slurp” was heard as Dottie sucked her son’s cock.

Then, the moaning began, as the family felt their orgasms begin. “Oh!” (slap, slap), “Ahhh!” (buzz, buzz), “Mmmm” (slurp, slurp). Faster and faster the sounds occurred. Louder and louder the moans became. The excitement in the room soon reached a blistering crescendo!

Bill said “I’m cumming mommy!” He shot his sperm into his mother’s mouth. Shot after shot of his hot cum went into the mouth of woman that birthed him. “Ahhh, mommy suck it, eat my spunk!” The sticky boy-cum spurting into her mouth and she swallowed her son’s tasty load. Dottie savored the last bit and rolled it on her tongue, cumming herself on the buzzing fuck-toy, moaning uncontrollably.

Tracy said “I’m cumming too!” She moaned loudly and then yelled “Fuck her dad! Fuck her Jack!” Tracy came all over her vibrator, holding it tight against her clit, wishing her father was pounding her cunt instead of Jane’s. “Oooohhhh!”

Jane gave one long continuous moan as one of her ‘big’ orgasms began. “Ohhhhhhhhhhhhhhhhhhh!” Her moan lasted for 20 seconds or more, then, she moaned in staccato bursts as the huge waves of bliss crashed over her. “Ohhhhhh, ohhhhhh, ohhhhhh, ohhhhhh!” Her body began shaking, her thighs quivering! Her pussy began contracting on her father’s cock, squeezing it, milking it! Her ass and colon clenched in unison to Jack’s thrusts, applying exquisite pressure to his shaft. David and Jack felt the cum being pulled from their balls!

“I’m cumming,” said David, as he erupted! His huge cock swelling and then spurting thick, hot goo into his daughter’s churning cunt.

“Me too!” said Jack, and blasted his cum deep into his sister’s ass, feeling weak in the knees.

As the hot cum blasted her bowels and her pussy simultaneously, Jane arched her back, lifted her head and rolled her eyes. She began to have convulsions, thrusting her hips on the thick cocks, feeling her holes stretched, her clit smashed, and the hot cum spurting deep within her. Her nether muscles squeezed their cocks, milking them, draining them, as she came and came, again and again. Finally, the stars exploded in her head, and she fell in a heap on her father, limp and drooling.

The family had watched her orgasm, unable to look away, and saw her go limp. Bill whispered, “Is she OK, daddy?” He was concerned for his sister.

“She is fine,” said David. “Jane sometimes passes out after a big one.”

“You kids watch out for her, you hear?” said Dottie. “You may have to catch her sometimes, or at least make sure she fucks on top of something soft, OK?”

“It’s one of our burdens,” said David, shaking his head, feeling weighed down with the responsibility of having a sex-crazed teenage slut in the family.

Jack pulled his cock from Jane’s ass. Bill pulled his cock from his mother’s mouth and the girls pulled the slick vibrators from their tired pussies.

“You kids go get a wet rag and clean up now, I’ll stay here with Jane for a bit,” said their father. The kids began to clean up the living room, with Jack and Bill wiping up any spills, and Tracy washing and putting away the vibrators and lube.

“They are good kids,” Dottie said to her husband, proud of her children for helping out so enthusiastically, without complaining.

“Yeah, I know.” He said. “That’s ‘cause we raised them right...” She looked at him holding his little girl gently, rubbing her back and naked ass with love.

“You are a good father too,” she said, feeling proud of her husband.

Jane finally awoke, still lying on her dad with his softening cock inside of her. She looked around and saw the near empty room. “I passed out again, didn’t I?”

“Yes,” said David.

“It was a BIG one,” said Jane.

“Yep,” said David. “I felt it...,” he nodded. “Why don’t you go and have a bath? That always makes you feel better after a big one.”

“OK,” she said, getting up. “And daddy?” she asked, “Can I maybe go take a walk after a while?” Jane wasn’t too bright, but she knew the right time to ask her daddy for something.

“Now Jane, you remember what happened the last time...”

“Is the town having another parade today?” she asked, excitedly. She had fun being in the parade. She was still not sure what everyone got so mad about. Some old, dried up bitties, anyway...

“No parade today, honey,” he said. “Go have your bath. Your mom and I will talk about letting you go outside for a while.”

Jane stood up, clenching her pussy and ass tight. Not a single drop of cum dripped out of her freshly creamed holes. She gingerly walked to the bathroom.

“Well honey, what do you think? Should we let her go?” asked David.

“Well, she needs to learn about the big, wide world, honey,” Dottie said. “And, she is of marrying age now; maybe she will find a man out there?”

“If she would only find *one* man, I wouldn’t worry so damn much, Dottie!”
